CORE UMC Compatible Adjustable Stock Safety Instructions

Introduction

Thank you for choosing the CORE UMC Compatible Adjustable Stock by Grayboe. This product is designed to enhance your shooting experience with unmatched strength and precision. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Never point the firearm at anything you do not intend to shoot.
- Keep your finger off the trigger until you are ready to shoot.
- Store the stock and firearm in a secure location, out of reach of children.
- Regularly inspect the stock for any signs of damage or wear.
- Ensure that you are using the stock in accordance with the manufacturer's guidelines.

Specific Safety Precautions for Use

- **Compatibility Check:** Ensure that the stock is compatible with your firearm model before installation.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting, which can lead to malfunctions.
- **Adjustments:** Make adjustments to the length of pull and cheekpiece only when the firearm is unloaded and pointed in a safe direction.
- **Use of Accessories:** Only use accessories and attachments that are recommended by the manufacturer to avoid compromising safety.
- **Shooting Environment:** Always use the stock in a safe shooting environment, and be aware of your surroundings.

Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the stock from the packaging. Ensure all components are included.
2. **Compatibility Verification:** Confirm that the stock is suitable for your firearm model.
3. **Installation Steps:**
 - Align the stock with the firearm's receiver.
 - Securely attach the stock using the provided screws and mechanisms.
 - Ensure that all attachment points are tightened and secure.
4. **Adjustments:**
 - Adjust the length of pull by sliding the stock to the desired position and locking it in place.
 - Adjust the cheekpiece for optimal comfort and alignment with the sights.
5. **Final Check:** Before use, doublecheck that the stock is securely attached and properly adjusted.

Disposal Instructions

- Dispose of the stock in accordance with local regulations.
- If the stock is damaged beyond use, consider recycling the materials where possible.
