CORE UMC Compatible Adjustable Stock Safety Instructions

Introduction

Thank you for choosing the CORE UMC Compatible Adjustable Stock by Grayboe. This product is designed to provide exceptional durability, strength, and precision for your rifle. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully.

General Safety Guidelines

- Always handle your rifle and stock with care.
- Ensure that the stock is compatible with your rifle before installation.
- Regularly inspect the stock for any signs of wear or damage.
- Store the stock and rifle in a secure location, away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm safety and ownership.
- In case of any safety concerns, report unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper installation may lead to malfunction or injury.
- Use of incompatible magazines can cause feeding issues or jams.
- Failure to secure the stock properly may result in loss of control during use.

• Instructions for Avoiding Hazards:

- Always ensure the rifle is unloaded before installing or adjusting the stock.
- Make sure to use AICS magazines as specified.
- Adjust the length of pull and cheekpiece only when the rifle is not in use.
- Inspect attachment mechanisms regularly to ensure they are secure.

• AgeSpecific Warnings:

- This product is intended for adult users only. Keep out of reach of children.
- Ensure that any younger users are supervised by a responsible adult when handling firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing stock if applicable.
- Align the CORE UMC Compatible Adjustable Stock with the rifle's receiver.
- Secure the stock using the provided attachment mechanisms (QD cups, MLOK plate, or screws).
- Verify that the stock is firmly attached before proceeding.

2. Adjusting the Stock:

- To adjust the cheekpiece, loosen the adjustment screws, set to the desired height, and tighten securely.
- For length of pull adjustments, locate the adjustment mechanism, adjust to the desired length, and

ensure it is locked in place.

3. Usage:

- Always maintain a proper shooting stance and grip.
- Regularly check the stock and rifle during use for any signs of instability or malfunction.
- Clean and maintain the stock according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the stock in accordance with local regulations.
- Do not dispose of the stock in regular household waste.
- Check with local authorities for proper disposal methods for carbon fiber materials.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your CORE UMC Compatible Adjustable Stock. Thank you for your attention to safety.
