Safety Instruction Guide for the HUNTER M5 Detachable Box Magazine Well for Remington 700

Introduction

Thank you for choosing the HUNTER M5 Detachable Box Magazine Well for Remington 700. This product is designed to enhance your shooting experience by providing a reliable detachable box magazine system. To ensure safe and effective use of this product, please read this safety instruction guide carefully. It contains essential information regarding safety precautions, installation, usage, and disposal.

General Safety Guidelines

- Ensure that you are familiar with the operation of firearms and the specific requirements for using detachable box magazines.
- Always handle firearms with care and store them securely when not in use.
- Use the product only with compatible firearms as specified in the product description.
- Keep the product and all related accessories out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage. If any issues are found, discontinue use immediately.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or removing the magazine well.
- Do not attempt to modify the product. Unauthorized modifications may compromise safety and functionality.
- Ensure that the magazine well is securely attached to the firearm before use.
- Use only AICS type magazines as specified. Magpul magazines may not function correctly.
- Be cautious when releasing the magazine. Ensure that your fingers are clear of the magazine release lever.
- If you experience any malfunctions while using the product, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Bottom Metal:** If applicable, remove the existing bottom metal from the firearm according to the manufacturer's instructions.
3. **Install the HUNTER M5 DBM:**
 - Align the HUNTER M5 DBM with the inlet of the stock.
 - Securely attach the magazine well using the provided action screws.
 - Ensure that the magazine well is flush with the stock and that there are no gaps.
4. **Check Compatibility:** Confirm that the magazine well is compatible with your specific Rem 700 or 700 clone action.

Usage

1. **Loading the Magazine:** Insert an AICS type magazine into the magazine well until it clicks into place.
2. **Releasing the Magazine:** To release the magazine, press the magazine release lever located inside the trigger guard.
3. **Unloading:** Always ensure the firearm is pointed in a safe direction when unloading. Remove the magazine by pressing the release lever.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and plastic waste.
- If the product is damaged or no longer in use, ensure it is stored safely until it can be disposed of properly.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please contact the appropriate support channels as indicated on the packaging or product documentation.

Thank you for prioritizing safety and responsible usage of your HUNTER M5 Detachable Box Magazine Well for Remington 700. Your adherence to these guidelines helps ensure a safe and enjoyable shooting experience.
