ARKUS MIL SPEC Adjustable Rifle Stock Safety Instructions

Introduction

Thank you for choosing the ARKUS MIL SPEC Adjustable Rifle Stock for your AR15/308 platform. This product is designed to enhance your shooting experience by providing stability, control, and comfort. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat your rifle as if it is loaded.
- Keep the rifle pointed in a safe direction at all times.
- Ensure that the rifle is unloaded when installing or adjusting the stock.
- Store the rifle and stock in a secure location out of reach of children and unauthorized users.
- Use the stock only with compatible AR15/308 platforms.
- Regularly inspect the stock for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm usage and modifications.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that younger users are supervised by a responsible adult.
- **Proper Fit:** Adjust the length of pull to fit your body size. An improper fit can affect control and accuracy.
- **Recoil Management:** The high grip recoil pad is designed to absorb recoil. Ensure it is properly positioned against your shoulder for maximum effectiveness.
- **Environmental Considerations:** Avoid using the rifle in extreme weather conditions that may affect the performance of the stock.
- **Training:** If you are unfamiliar with using adjustable stocks or firearms, seek training from a qualified instructor.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing stock from your AR15/308 platform according to the manufacturer's instructions.
- Align the ARKUS Adjustable Rifle Stock with the buffer tube of your rifle.
- Secure the stock in place using the provided hardware, ensuring all screws are tightened properly.
- Check that the stock is firmly attached and does not wobble.

2. Adjusting the Stock:

- Locate the adjustment lever on the stock.
- Pull the lever to release the locking mechanism.
- Slide the stock to the desired length of pull.
- Release the lever to lock the stock in place. Ensure it is securely locked before use.

3. Using the Stock:

- Position the rifle against your shoulder with the stock firmly in place.
- Maintain a proper grip on the rifle and ensure your finger is off the trigger until you are ready to

shoot.

- Practice proper shooting techniques to maximize the benefits of the adjustable stock.

Disposal Instructions

When disposing of the ARKUS Adjustable Rifle Stock, follow these guidelines:

- Do not dispose of the stock in regular household waste.
- Check local regulations for proper disposal methods of firearm accessories.
- Consider recycling the stock if it is made of recyclable materials.
- If the stock is damaged beyond repair, dispose of it in a manner that prevents unauthorized use.

Contact Information for Further Support

For any questions or concerns regarding the ARKUS Adjustable Rifle Stock, please consult the manufacturer's website or contact their customer support for assistance. Ensure you have your product details ready for reference.

By following these safety instructions, you can enjoy the benefits of your ARKUS MIL SPEC Adjustable Rifle Stock while ensuring your safety and the safety of others. Thank you for your attention to these important guidelines.
