

308 AR LOW MASS BOLT CARRIER GROUP - J P ENTERPRISES

JPBC-4BA LOW-MASS BOLT/CARRIER

[Rifle Parts](#) > [Bolt Parts](#) > [Bolt Carrier Groups](#)

Helps Reduce Felt Recoil On Large-Caliber AR Platform Rifles

Reduced-weight bolt/carrier assembly helps tame felt recoil on a JP or DPMS or Remington AR-style .308 rifle (LR-308 pattern only). Carrier features the same type of weight-reducing cuts found on the original JPBC-3 AR-15 bolt carrier to give the same benefits your .308. Wide carrier rails have extra bearing surface to improve bolt alignment and reduce wear. Comes with a complete JP EnhancedBolt™ (also available separately), designed to stand up to high-heat, high-impact use. Carrier key is already installed and staked. Available with QPQ or polished stainless finish.

Attributes

- Name: [J P ENTERPRISES JPBC-4BA LOW-MASS BOLT/CARRIER](#)

Safety Instruction Guide for the 308 AR Low Mass Bolt Carrier Group

Introduction

Thank you for choosing the 308 AR Low Mass Bolt Carrier Group by J P Enterprises. This product is designed to enhance the performance of your ARstyle .308 rifle while ensuring safe usage. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always handle firearms with care and treat every firearm as if it is loaded.
- Ensure that you are familiar with the operation and safety features of your rifle.
- Store the bolt carrier group and all firearm components out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for wear and damage.
- Only use the product for its intended purpose as specified in the product description.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or removing the bolt carrier group.
- Wear appropriate eye and ear protection when using the firearm.
- Do not exceed the recommended ammunition specifications for your rifle.
- Never modify the bolt carrier group or any firearm components in a way that could compromise safety.
- If you experience any malfunctions while using the firearm, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing bolt carrier group from your rifle.
- Carefully insert the 308 AR Low Mass Bolt Carrier Group into the receiver.
- Ensure that the carrier key is properly seated and staked.
- Check that the carrier is aligned correctly with the upper receiver.

2. Usage:

- Load your firearm with compatible .308 Winchester ammunition.
- Engage the safety mechanism before handling.
- When ready to fire, disengage the safety and aim at the intended target.
- After firing, ensure the firearm is clear of any obstructions before reloading.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the bolt carrier group is damaged or no longer in use, consult local regulations for proper disposal methods.
- Do not dispose of the product in regular household waste. Follow guidelines for hazardous materials if applicable.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please refer to the contact details provided by your retailer or manufacturer. It is important to have access to reliable support for your product-related questions.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on responsible handling and use of your firearm and its components.
