Safety Instruction Guide for LEGEND TACTICAL 1545X60MM SPOTTING SCOPE

Introduction

Thank you for choosing the LEGEND TACTICAL 1545X60MM SPOTTING SCOPE by Bushnell. This guide provides essential safety instructions to ensure safe and effective use of your spotting scope. Please read this guide carefully before use to understand the safety precautions and operational guidelines.

General Safety Guidelines

- Ensure safe use of the spotting scope by following these guidelines:
 - Always inspect the product for any damage before use.
 - Keep the spotting scope out of reach of children and vulnerable individuals.
 - Use the product only for its intended purpose.
 - Be aware of your surroundings when using the spotting scope to avoid accidents.
 - Store the spotting scope in a dry and safe place when not in use.
 - Regularly check for updates on recall notices and safety alerts.

Specific Safety Precautions for Use

- Follow these specific precautions to avoid potential hazards:
 - Do not look directly at the sun through the spotting scope, as this can cause severe eye damage.
 - Avoid using the spotting scope in wet or humid conditions unless it is specifically designed for such use.
 - Do not disassemble or modify the spotting scope, as this may compromise its safety and performance.
 - Use caution when mounting the spotting scope on a tripod or other support to ensure stability.
 - Always use the spotting scope with both hands to maintain control and prevent dropping.

Instructions for Installation and Usage

- Follow these steps for proper installation and usage:

1. Unpacking the Spotting Scope

- Carefully remove the spotting scope from its packaging.
- Check for all components, including the spotting scope, lens covers, and any included accessories.

2. Mounting the Spotting Scope

- Use a compatible tripod or mounting system.
- Securely attach the spotting scope to the mount, ensuring it is stable and properly aligned.

3. Adjusting the Spotting Scope

- Adjust the eyepiece for comfortable viewing.
- Rotate the focus knob to achieve a clear image.
- Use the zoom feature to adjust magnification between 15x and 45x as needed.

4. Using the Spotting Scope

- Point the scope at the desired target and look through the eyepiece.
- Adjust the focus and zoom until the target is clear.
- Take care to maintain a stable position while observing.

Disposal Instructions

- When disposing of the spotting scope, follow these guidelines:
 - Do not dispose of the product in household waste.
 - Check local regulations for proper disposal methods of optical equipment.
 - Consider recycling components where possible, particularly glass and metal parts.

Contact Information for Further Support

- For any inquiries regarding safety or product support, please refer to the appropriate contact point within the EU. Ensure that you have the product details ready for assistance.

Thank you for your attention to these safety guidelines. Enjoy using your LEGEND TACTICAL 1545X60MM SPOTTING SCOPE responsibly and safely.
