# **GOUGE SLIP NORTON FS76 GOUGE SLIP Safety Instruction Guide**

## **Introduction**

Thank you for choosing the GOUGE SLIP NORTON FS76 GOUGE SLIP. This universal sharpener is designed for gouges and curved edges, making it an essential tool for achieving precision in your work. To ensure safe and effective use of this product, please read and follow the safety instructions provided in this guide.

## **General Safety Guidelines**

To promote safe use of the GOUGE SLIP, please adhere to the following general safety guidelines:

- Always read the product manual before use.
- Ensure the sharpener is used in a welllit and clean workspace.
- Keep the sharpener out of reach of children and vulnerable individuals.
- Inspect the sharpener for any damage before each use. Do not use if damaged.
- Store the sharpener in a safe place when not in use to prevent accidental injury.

## **Specific Safety Precautions for Use**

When using the GOUGE SLIP, please observe the following specific safety precautions:

- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves.
- Use the sharpener only for its intended purpose—sharpening gouges and curved edges.
- Keep your hands and fingers away from the sharpening area to prevent cuts or injuries.
- Do not apply excessive force while sharpening; let the sharpener do the work.
- If using the sharpener on curved surfaces, ensure that the surface is stable and secure.
- Avoid using the sharpener on wet or slippery surfaces to prevent accidents.

## **Instructions for Installation and Usage**

Follow these instructions for proper installation and usage of the GOUGE SLIP:

### **1. Preparation:**

- Ensure that your workspace is clean and welllit.
- Gather all necessary tools and materials.

### **2. Using the Sharpener:**

- Hold the GOUGE SLIP securely in one hand.
- With the other hand, hold the gouge or curved tool you wish to sharpen.
- Position the tool against the sharpening surface of the GOUGE SLIP at the desired angle.
- Gently slide the tool back and forth across the sharpening surface, applying light pressure.
- Periodically check the sharpness of the tool to avoid oversharpening.

### **3. PostUse Care:**

- Clean the sharpener after each use to remove any debris or metal shavings.
- Store the sharpener in a safe location, away from children and pets.

## **Disposal Instructions**

When the GOUGE SLIP has reached the end of its useful life, please dispose of it responsibly:

- Check local regulations for proper disposal methods for tools and sharpening equipment.
- If the sharpener is damaged beyond repair, consider recycling the materials if possible.
- Do not dispose of the sharpener in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the GOUGE SLIP, please contact your local distributor or refer to the manufacturer's website for assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your GOUGE SLIP NORTON FS76 GOUGE SLIP. Always prioritize safety and take the necessary precautions while using this product. Thank you for your attention to these guidelines.
