EXPERT TYPE SHOTGUN SIGHT MARBLE ARMS 3/32 SHANK, 356 THREAD, IVORY Safety Instruction Guide

Introduction

Thank you for choosing the EXPERT TYPE SHOTGUN SIGHT by Marble Arms. This guide provides essential safety instructions and information to ensure the safe use and installation of your shotgun sight. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the shotgun sight is compatible with your firearm before installation.
- Always handle firearms with care and follow all safety protocols associated with gun ownership.
- Store the shotgun sight and firearm in a secure location, away from children and unauthorized users.
- Regularly inspect the shotgun sight for any signs of damage or wear.
- If you notice any defects or abnormalities, discontinue use and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Only use the shotgun sight with universal shotguns as specified.
- Do not attempt to modify or alter the shotgun sight, as this may compromise safety and performance.
- Always wear appropriate eye protection when using firearms equipped with the shotgun sight.
- Ensure that the firearm is unloaded before installing or adjusting the shotgun sight.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

Installation Steps

1. **Prepare Your Firearm**: Ensure the shotgun is unloaded and in a safe condition.
2. **Select the Appropriate Tools**: You will need a screwdriver suitable for the screw type (356 or 648) that fits your shotgun sight.
3. **Remove Existing Sight (if applicable)**: If replacing an existing sight, carefully unscrew and remove it.
4. **Install the New Sight**:
   - Align the sight with the mounting hole on your shotgun rib.
   - Insert the screw through the sight and into the rib.
   - Tighten the screw securely, but do not overtighten as this may damage the sight or the firearm.
5. **Check Stability**: After installation, gently wiggle the sight to ensure it is securely attached.
6. **Test the Sight**: Before using the shotgun in a live environment, test the sight for accuracy and stability in a safe and controlled setting.

Usage Guidelines

- Familiarize yourself with the sight's features and operation before heading to the shooting range.
- Always follow range rules and regulations when using firearms.
- Practice regularly to maintain proficiency with the shotgun sight.

Disposal Instructions

- Dispose of packaging materials responsibly by recycling where possible.
- If the shotgun sight becomes damaged beyond repair, consult local regulations for proper disposal

methods.
- Do not dispose of the sight in regular household waste. Check for local hazardous waste disposal options if applicable.

Contact Information for Further Support

For further support or inquiries regarding safety and installation, please refer to the manufacturer's website or customer service resources.

By following these guidelines, you can ensure a safe and enjoyable experience with your EXPERT TYPE SHOTGUN SIGHT. Always prioritize safety and responsibility when handling firearms.
