# Safety Instruction Guide for SERIES II Stoning Fixture Power Custom Universal Adapter

## Introduction

Thank you for choosing the SERIES II Stoning Fixture Power Custom Universal Adapter. This product is designed to assist in achieving a precise trigger pull on semiautomatic firearms, ensuring both safety and performance. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always handle firearms with care and ensure they are unloaded before using the adapter.
- Use the adapter only for its intended purpose as specified in this manual.
- Keep the adapter and all components out of reach of children and unauthorized users.
- Regularly check the adapter for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use of firearms and firearm accessories.
- If you experience any issues or uncertainties while using the adapter, seek assistance from a qualified professional.

## Specific Safety Precautions for Use

- Ensure that you are using the correct adapter size for your firearm to avoid improper fitting and potential hazards.
- Always wear protective eyewear when using the stoning fixture to protect against any debris or particles that may be generated during use.
- Do not modify the adapter or any of its components. Modifications can compromise safety and performance.
- Use only Series II India Stone or Series II Hard Arkansas Stone with the adapter as specified, and ensure they are in good condition.
- Maintain a clean working environment to prevent accidents and ensure optimal performance of the adapter.

## Instructions for Installation and Usage

### 1. Installation of the Adapter:

- Select the appropriate adapter size based on your firearm specifications.
- Attach the adapter to the indexing elevator column securely, ensuring it is properly aligned.
- Clamp the hammer in the correct position as indicated in the installation instructions.

### 2. Using the Stoning Fixture:

- Ensure the firearm is unloaded and safe before beginning.
- Adjust the hammer angle as needed to meet your specific requirements.
- Use the Series II India Stone or Series II Hard Arkansas Stone to achieve the desired trigger pull.
- Work slowly and carefully, checking progress frequently to avoid overstoning.

### 3. PostUse Care:

- After use, remove the adapter and clean all components to remove any debris or residue.
- Store the adapter and all related components in a safe and dry location.

## **Disposal Instructions**

- Dispose of the adapter and any wornout components in accordance with local regulations.
- Do not dispose of the adapter in regular household waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any inquiries or support regarding the SERIES II Stoning Fixture Power Custom Universal Adapter, please refer to the manufacturer's contact details provided with your product.

Thank you for prioritizing safety while using the SERIES II Stoning Fixture Power Custom Universal Adapter. Your attention to these guidelines helps ensure a safe and effective experience.
