

AR-15 NATIONAL MATCH 2-STAGE TRIGGER - ROCK RIVER ARMS

.156" 2-STAGE TRIGGER

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Lightens & Smooths Trigger Pull For Improved Accuracy

Drop-in, match grade trigger provides a crisp, 4½ to 5 lb., 2-stage, trigger pull to improve accuracy for competition or varmint shooting. Sear engagement point is located behind the hammer to reduce pull weight. Low mass hammer speeds lock time. Includes trigger and hammer pins. Fits AR-15 receivers with .156" hammer and trigger pins.

Safety Instruction Guide for AR15 National Match 2Stage Trigger

Introduction

Thank you for choosing the AR15 National Match 2Stage Trigger by Rock River Arms. This guide provides essential safety instructions to ensure the safe and effective use of your new trigger. Please read through this guide carefully to understand the safety precautions, installation instructions, and proper usage of the product.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the trigger and hammer pins secure and ensure they are correctly installed to prevent accidental discharges.
- Never place your finger on the trigger until you are ready to fire.
- Always point the firearm in a safe direction.
- Be aware of your surroundings and ensure that you have a clear line of sight when using the firearm.
- Store the trigger and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the trigger and firearm for any signs of wear or damage.
- Do not attempt to modify or alter the trigger in any way, as this may lead to unsafe conditions.

Specific Safety Precautions for Use

- This trigger is designed for use with AR15 receivers that have .156" hammer and trigger pins only. Using it with incompatible receivers may cause malfunction or injury.
- Ensure that you are familiar with the operation of the AR15 platform before installing and using this trigger.
- Use protective eyewear when handling firearms to protect against potential hazards.
- If you experience any issues with the trigger, do not attempt to troubleshoot or repair it yourself. Seek professional assistance.
- Be mindful of the weight of the trigger pull (4½ to 5 lb.) and practice safely before using it in competition or varmint shooting.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a punch tool for pin removal and installation.

2. Installation Steps:

- Remove the existing trigger and hammer pins from the AR15 receiver.
- Align the new AR15 National Match 2Stage Trigger with the receiver.
- Insert the trigger pin first, ensuring it is seated properly.
- Next, insert the hammer pin, ensuring it is also seated securely.
- Doublecheck that both pins are fully inserted and that the trigger operates correctly.

3. Usage:

- Familiarize yourself with the 2stage trigger pull. Practice in a safe environment to understand the feel of the trigger.
- Always follow the general safety guidelines when using the firearm.

Disposal Instructions

- Dispose of the trigger in accordance with local regulations.
- Do not dispose of the trigger in regular household waste if it is damaged or malfunctioning.
- Contact your local waste management authority for guidance on proper disposal methods for firearm components.

Contact Information for Further Support

For any inquiries related to safety, installation, or product performance, please refer to the contact information provided with your purchase or visit the manufacturer's website.

Thank you for following these safety instructions. Your safety and the safety of others depend on your responsible use of this product.
