

MATCHMASTER COMPETITION SEATER DIES - RCBS 300 PRC SEATER DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

What sets the MatchMaster seating die apart from the competition is our bullet seating window with bullet retaining system. Simply place the bullet in the window and raise the case into the die to seat the bullet. No more smashed fingers or misaligned bullets! Couple this with a micrometer adjustable, free-floating, self-centering bullet seating stem and you have the easiest, most accurate bullet seating die on the market. MICROMETER ADJUSTABLE SEATER FREE FLOATING/SELF-CENTERING BULLET SEATING SYSTEM BULLET LOADING WINDOW WITH BULLET RETAINING SYSTEM

MATCHMASTER COMPETITION SEATER DIES RCBS 300 PRC SEATER DIE Safety Instructions

Introduction

Thank you for choosing the MATCHMASTER COMPETITION SEATER DIES RCBS 300 PRC SEATER DIE. This guide provides essential safety instructions and usage guidelines to ensure a safe and effective experience with our product. Please read this document carefully before using the die.

General Safety Guidelines

- Ensure that the die is used in accordance with the manufacturer's instructions.
- Always wear appropriate safety gear, including eye protection, when using this product.
- Keep the working area clean and free from obstructions to prevent accidents.
- Do not use the die if it appears damaged or malfunctioning.
- Store the die in a safe place, out of reach of children and vulnerable individuals.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.

Specific Safety Precautions for Use

- Always handle the die with care to avoid injury.
- Ensure that the bullet is properly placed in the bullet loading window before raising the case.
- Do not force the case into the die; if resistance is met, check for misalignment or obstruction.
- Keep fingers away from the die's moving parts during operation to prevent injury.
- Use the micrometer adjustable feature only as instructed to ensure accurate bullet seating.
- Do not exceed the recommended load specifications for the cartridge.

Instructions for Installation and Usage

1. Installation:

- Securely attach the die to your reloading press according to the press's instructions.
- Ensure that the die is properly aligned and tightened to prevent movement during use.

2. Usage:

- Place the bullet into the bullet loading window.
- Raise the case into the die gently and evenly to seat the bullet.
- Adjust the micrometer as needed for precise bullet seating depth.
- After use, clean the die to remove any residue and maintain its performance.

Disposal Instructions

- Dispose of the die in accordance with local regulations regarding metal products.
- Do not dispose of the die in regular household waste.
- If the die is damaged beyond repair, contact local recycling facilities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please reach out to the designated EU contact point provided with your product packaging.

Please keep this safety instruction guide for future reference. Safe reloading practices contribute to a safe and

enjoyable shooting experience. Thank you for choosing MATCHMASTER!
