

MATCHMASTER COMPETITION SEATER DIES - RCBS 6.5MM PRC SEATER DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

What sets the MatchMaster seating die apart from the competition is our bullet seating window with bullet retaining system. Simply place the bullet in the window and raise the case into the die to seat the bullet. No more smashed fingers or misaligned bullets! Couple this with a micrometer adjustable, free-floating, self-centering bullet seating stem and you have the easiest, most accurate bullet seating die on the market. MICROMETER ADJUSTABLE SEATER FREE FLOATING/SELF-CENTERING BULLET SEATING SYSTEM BULLET LOADING WINDOW WITH BULLET RETAINING SYSTEM

Safety Instruction Guide for MatchMaster Competition Seater Die

Introduction

Thank you for choosing the MatchMaster Competition Seater Die, designed for precision and ease of use in bullet seating. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read and follow these guidelines carefully.

General Safety Guidelines

- Ensure that the workspace is clean and free of any obstructions before using the die.
- Always wear appropriate safety gear, including eye protection, when reloading ammunition.
- Keep all components of the reloading process out of reach of children and unauthorized individuals.
- Familiarize yourself with the specific features of the MatchMaster Competition Seater Die before use.
- Regularly inspect the die and associated equipment for signs of wear or damage.
- Follow all local laws and regulations regarding ammunition reloading and safety.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper use may lead to personal injury or equipment damage.
- Ensure the bullet is correctly placed in the bullet loading window to prevent misalignment.
- Avoid placing fingers near moving parts during operation to prevent injury.

- **Instructions for Avoiding Hazards:**

- Always ensure that the die is securely mounted before use.
- Do not exceed recommended bullet seating depths as specified by the manufacturer.
- Use only compatible cartridges with the MatchMaster Competition Seater Die (e.g., 6.5 PRC).
- Adjust the micrometer seating stem slowly and carefully to avoid sudden movements.

- **AgeSpecific Warnings:**

- This product is intended for adult use only. Keep it away from children and inexperienced users.

Instructions for Installation and Usage

1. Installation:

- Securely mount the MatchMaster Competition Seater Die in a compatible reloading press.
- Ensure that the die is tightened and stable before proceeding.

2. Usage:

- Place the bullet into the bullet loading window.
- Raise the case into the die, ensuring the bullet aligns properly in the seating window.
- Slowly lower the handle of the reloading press to seat the bullet.
- Check the bullet seating depth using a caliper to ensure accuracy.
- If adjustments are needed, use the micrometer adjustable seating stem to make precise changes.

Disposal Instructions

- Dispose of any used or damaged components in accordance with local regulations regarding hazardous waste.
- Do not discard in regular household waste. Check with local disposal facilities for proper handling.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please contact your local distributor or the manufacturer directly. Ensure you have your product details available for reference.

By following these safety instructions, you can ensure a safe and effective experience with the MatchMaster Competition Seater Die. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
