

TRIPLE SHOT X® 30 CALIBER (.308") RIFLE BULLETS - BARNES BULLETS TSX 30 CALIBER (0.308") BOAT TAIL 165GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

This lead-free, 100% copper-constructed bullet provides extreme penetration every time. Typically, this premium hunting bullet retains 100% of its original weight even after smashing through dense tissue and heavy bone. The Triple - Shock bullet design incorporates a series of precisely positioned rings cut into the bullet's body. These grooves relieve firing pressure, allowing the TSX to be safely loaded to higher velocities while reducing copper fouling. The bonus is that this is one of the most accurate hunting bullets you can buy.

Attributes

- Name: [BARNES BULLETS TSX 30 CALIBER \(0.308"\) BOAT TAIL 165GR 50/BOX](#)
- Manufacturer: [BARNES BULLETS](#)

Safety Instruction Guide for TRIPLE SHOT X® 30 CALIBER (.308") RIFLE BULLETS

Introduction

Thank you for choosing the TRIPLE SHOT X® 30 CALIBER (.308") RIFLE BULLETS from BARNES BULLETS. This guide provides essential safety instructions to ensure the safe handling and use of this product. Please read this document carefully before using the bullets.

General Safety Guidelines

- Always treat all ammunition as if it is live and potentially dangerous.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep out of reach of children and unauthorized users.
- Inspect bullets before use for any signs of damage or corrosion.
- Follow all local, state, and national regulations regarding ammunition storage and use.
- Ensure that your firearm is compatible with .308 caliber ammunition before use.

Specific Safety Precautions for Use

- Use only in firearms specifically designed for .308 caliber ammunition.
- Always wear appropriate eye and ear protection when shooting.
- Do not attempt to modify or disassemble the bullets.
- Avoid using bullets that have been dropped or damaged.
- Be aware of your surroundings and ensure that the shooting area is clear of people and obstacles.
- Do not shoot at hard surfaces or water to prevent ricochets.

Instructions for Installation and Usage

- Ensure that your firearm is unloaded before handling the bullets.
- Load the bullets into the magazine or chamber according to the firearm's manufacturer instructions.
- Check that the safety mechanism is engaged before loading the firearm.
- When ready to shoot, disengage the safety mechanism and aim at the target.
- After firing, always check the firearm to ensure it is clear of obstructions before reloading.
- Dispose of any misfired bullets according to local regulations. Do not attempt to reuse them.

Disposal Instructions

- Dispose of spent cartridges and any unused bullets in accordance with local laws and regulations.
- Do not dispose of bullets in regular household waste.
- Contact local authorities or hazardous waste disposal facilities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the TRIPLE SHOT X® 30 CALIBER (.308") RIFLE BULLETS, please refer to the manufacturer's website or customer service for assistance.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable shooting experience with your TRIPLE SHOT X® 30 CALIBER (.308") RIFLE BULLETS. Always prioritize safety and remain informed about best practices for handling ammunition. Thank you for your attention to these important guidelines.
