

TRIPLE SHOT X® 30 CALIBER (.308") RIFLE BULLETS - BARNES BULLETS TSX 30 CALIBER (0.308") BOAT TAIL 168GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

This lead-free, 100% copper-constructed bullet provides extreme penetration every time. Typically, this premium hunting bullet retains 100% of its original weight even after smashing through dense tissue and heavy bone. The Triple - Shock bullet design incorporates a series of precisely positioned rings cut into the bullet's body. These grooves relieve firing pressure, allowing the TSX to be safely loaded to higher velocities while reducing copper fouling. The bonus is that this is one of the most accurate hunting bullets you can buy.

Attributes

- Name: [BARNES BULLETS TSX 30 CALIBER \(0.308"\) BOAT TAIL 168GR 50/BOX](#)

Safety Instruction Guide for TRIPLE SHOT X® 30 CALIBER (.308") RIFLE BULLETS

Introduction

Thank you for choosing the TRIPLE SHOT X® 30 CALIBER (.308") RIFLE BULLETS by BARNES BULLETS. This guide provides essential safety instructions to ensure the safe use of this product. It is important to read and understand these instructions before handling or using the bullets.

General Safety Guidelines

- Always handle ammunition with care and store it in a secure location away from children and unauthorized users.
- Ensure that you are familiar with local laws and regulations regarding the use of ammunition.
- Inspect the bullets for any damage or defects before use. Do not use damaged bullets.
- Use appropriate protective gear, such as safety glasses and hearing protection, when handling or firing firearms.
- Always follow the firearm manufacturer's instructions regarding the use of ammunition.

Specific Safety Precautions for Use

- Ensure that the firearm is compatible with .308 caliber ammunition before use.
- Never exceed the recommended load specifications provided by the firearm manufacturer.
- Avoid using the bullets in firearms that are not designed for .308 caliber ammunition.
- Store ammunition in a cool, dry place away from heat sources and direct sunlight.
- Keep the bullets in their original packaging until ready for use to prevent contamination and damage.

Instructions for Installation and Usage

1. Preparation:

- Read all safety instructions provided with your firearm.
- Ensure that the firearm is unloaded before inserting the bullets.

2. Loading the Bullets:

- Open the magazine of the firearm according to the manufacturer's instructions.
- Insert the TRIPLE SHOT X® bullets into the magazine, ensuring they are seated properly.
- Close the magazine securely.

3. Firing:

- Always point the firearm in a safe direction.
- Ensure the area is clear of people and obstacles before firing.
- Follow the specific firing instructions provided by the firearm manufacturer.

4. PostFiring:

- After firing, ensure the firearm is unloaded before cleaning or inspecting it.
- Dispose of any spent casings and bullets safely and in accordance with local regulations.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local hazardous waste disposal regulations.
- Do not dispose of bullets in regular household waste.
- Contact local authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the TRIPLE SHOT X® 30 CALIBER (.308") RIFLE BULLETS, please refer to the contact information provided by the retailer or manufacturer. It is important to reach out to a qualified professional for assistance.

Conclusion

By following the safety guidelines and instructions outlined in this guide, you can ensure the safe use of the TRIPLE SHOT X® 30 CALIBER (.308") RIFLE BULLETS. Always prioritize safety when handling ammunition and firearms. Thank you for your attention to these important safety measures.
