

TRIPLE SHOT X® 30 CALIBER (.308") RIFLE BULLETS - BARNES BULLETS TSX 30 CALIBER (0.308") BOAT TAIL 180GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

This lead-free, 100% copper-constructed bullet provides extreme penetration every time. Typically, this premium hunting bullet retains 100% of its original weight even after smashing through dense tissue and heavy bone. The Triple - Shock bullet design incorporates a series of precisely positioned rings cut into the bullet's body. These grooves relieve firing pressure, allowing the TSX to be safely loaded to higher velocities while reducing copper fouling. The bonus is that this is one of the most accurate hunting bullets you can buy.

Barnes 30 cal. 180 gr. Triple Shock X Bullets - 50

Attributes

- Name: [BARNES BULLETS TSX 30 CALIBER \(0.308"\) BOAT TAIL 180GR 50/BOX](#)

Safety Instruction Guide for TRIPLE SHOT X® 30 CALIBER (.308") RIFLE BULLETS

Introduction

Thank you for choosing the TRIPLE SHOT X® 30 Caliber (.308") Rifle Bullets by Barnes Bullets. Your safety and satisfaction are our top priorities. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure you are familiar with the local laws and regulations regarding the use of ammunition and firearms.
- Always handle bullets and firearms with care to prevent accidents.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized users.
- Regularly check for any product recalls or safety alerts via the EU's Safety Gate platform.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when handling or firing ammunition.
- Ensure the firearm is unloaded when inserting or removing bullets.
- Use only in firearms that are specifically chambered for .308 caliber ammunition.
- Do not exceed the recommended load limits specified by your firearm manufacturer.
- Inspect bullets for any visible defects before use.
- Never attempt to modify or disassemble the bullets.

Instructions for Installation and Usage

1. Loading the Bullets:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and verify that it is unloaded.
- Insert the bullet into the chamber or magazine according to the manufacturer's instructions.

2. Firing the Bullets:

- Always ensure a clear line of sight and a safe backstop before firing.
- Follow the firearm's operating instructions for firing.
- Do not fire if the bullet appears damaged or if there are any malfunctions.

3. After Use:

- Clean the firearm according to the manufacturer's instructions.
- Store any unused bullets in their original packaging and in a safe location.

Disposal Instructions

- Do not dispose of unused or spent bullets in regular household waste.
- Follow local regulations for the disposal of ammunition and hazardous materials.
- Contact your local waste disposal authority for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the official Barnes Bullets website or your local distributor.

By following these guidelines, you can help ensure a safe and enjoyable experience with your TRIPLE SHOT X® 30 Caliber (.308") Rifle Bullets. Thank you for your attention to safety!
