

FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS - FORSTER PRODUCTS, INC. 6.5X47MM LAPUA FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Bench Rest Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. A full length two die set is the die set beginning reloaders should start with, and the die set most hunters and many target shooters use every time they reload their cases. These Forster full length die sets include a full length sizing die and the Forster Bench Rest seater die. Forster full length sizers feature hand polishing and the E-Z case neck expander system - a Forster exclusive. NATIONAL MATCH DIES reduce headspace by .003" and are intended for bolt action target rifles only.

Bench Rest? Seater & Full Length Die Set 6.5x47 Lapua

Safety Instruction Guide for FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS FORSTER PRODUCTS, INC. 6.5X47MM LAPUA FULL LENGTH DIE SET

Introduction

Thank you for choosing the FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS from Forster Products, Inc. This guide provides essential safety instructions to ensure the safe and effective use of your die set. Please read this guide carefully before use.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure that all components of the die set are in good condition before use.
- Keep the die set out of reach of children and other vulnerable individuals.
- Use protective eyewear when operating the die set to prevent injury from flying debris.
- Store the die set in a cool, dry place to avoid corrosion and damage.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including gloves and eye protection.
- Do not exceed the recommended load limits for the die set.
- Ensure that the workspace is clean, dry, and welllit.
- Never leave the die set unattended while in use.
- Be aware of your surroundings and ensure that no one is in the immediate area when operating the die set.
- Do not modify the die set in any way, as this may compromise safety.
- Follow all local laws and regulations regarding the use of reloading equipment.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is securely mounted and stable.
- Carefully unpack the die set and inspect for any damage.
- Follow the specific instructions for installing each die in the reloading press, ensuring they are tightened securely.

2. Usage:

- Adjust the die set according to the manufacturer's specifications for the 6.5x47mm Lapua cartridge.
- Always doublecheck measurements before proceeding with reloading.
- Use only the recommended components and materials for reloading.
- After use, clean the die set according to the manufacturer's instructions to maintain optimal performance.

Disposal Instructions

- Dispose of any damaged or unusable components of the die set in accordance with local regulations.
- Do not throw the die set in general waste; instead, consider recycling options if available.
- Ensure that any hazardous materials are disposed of properly to prevent environmental harm.

Contact Information for Further Support

For any questions or concerns regarding the use of your die set, please refer to the manufacturer's customer support resources. Ensure you have your product details ready for efficient assistance.

Thank you for prioritizing safety while using your FULL LENGTH SIZING AND BENCH REST SEATER DIE SET. Enjoy your reloading experience responsibly!
