[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

ASSURED STOPPING POWER™ 9MM (0.355") JACKETED HOLLOW POINT PISTOL BULLETS Whether you punch paper, shoot steel or use your handgun for hunting, Nosler ensures you have the very finest in accuracy, consistency and overall quality. Our Assured Stopping Power™ bullets are designed with a skived copper-alloy jacket and hollow point for rapid and consistent expansion. The bullet's pure lead core is encased in the copper-alloy jacket for maximum bullet stability and balance while further enhancing accuracy. Like their premium rifle bullets, Nosler hand-inspects all ASP bullets for quality assurance and then polishes them to a bright finish.

# Safety Instruction Guide for ASP 9MM (0.355") JHP Pistol Bullets

## Introduction

Thank you for choosing the ASP 9MM (0.355") JHP Pistol Bullets. This guide provides essential safety instructions to ensure the safe handling and use of this product. Please read and understand these guidelines before using the bullets.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Use only in firearms that are designed for 9mm ammunition.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Regularly check for product recalls and safety updates through official channels.

## Specific Safety Precautions for Use

- Ensure that your firearm is in good working order before use.
- Always wear appropriate eye and ear protection when shooting.
- Do not use damaged or corroded ammunition.
- Avoid using ammunition that is not specifically designed for your firearm.
- Be aware of your surroundings and ensure that you have a safe backstop when shooting.
- Do not mix different types of ammunition.

## Instructions for Installation and Usage

### 1. Loading the Ammunition:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and verify that it is unloaded.
- Load the ASP 9MM bullets into the magazine according to the manufacturer's instructions.
- Close the action of the firearm.

### 2. Firing the Ammunition:

- Always ensure you have a clear line of sight and a safe shooting area.
- Grip the firearm firmly and aim at the target.
- Pull the trigger smoothly to fire the bullet.
- After firing, keep the firearm pointed downrange until you are ready to check for a clear status.

### 3. PostUse Handling:

- After using the ammunition, clean your firearm according to the manufacturer's instructions.
- Store any remaining ammunition in a secure location.

## Disposal Instructions

- Dispose of any unused or damaged ammunition according to local regulations.
- Do not throw ammunition in the trash or incinerate it.
- Contact local authorities or a licensed disposal service for proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries or further assistance regarding the ASP 9MM (0.355") JHP Pistol Bullets, please refer to the manufacturer's contact information provided on the packaging or product documentation.

Thank you for your attention to these safety instructions. By following these guidelines, you can help ensure a safe and enjoyable shooting experience.
