

327 FEDERAL BRASS - STARLINE 327 FEDERAL BRASS 100/BAG

[Reloading](#) > [Brass](#) > [Pistol Brass](#)

327 Federal brass is a beefed up lengthened version of the 32 H&R Mag. It was designed as a personal defense cartridge. It has light recoil making it easy to handle due to firing light weight bullets at high velocities. The 327 Federal also has potential as a small game cartridge. Starline is a family owned business and prides itself on producing the highest quality brass case available. With a production process focused on quality not quantity, Starline makes the finest brass and has for more than 40 years out of their state-of-the-art manufacturing facility in Sedalia, MO.

Safety Instruction Guide for 327 Federal Brass Starline

Introduction

Thank you for choosing the 327 Federal Brass Starline. This product is designed for personal defense and small game use, providing a reliable and efficient option for firearm enthusiasts. It is essential to follow safety guidelines to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you are of legal age to purchase and use ammunition in your country.
- Always store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Use only in firearms that are designed for the 327 Federal Magnum cartridge.
- Regularly inspect your firearms and ammunition for any signs of damage or wear.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

Specific Safety Precautions for Use

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Be aware of your target and what lies beyond it.
- Use appropriate eye and ear protection when firing.
- Do not consume alcohol or drugs before or during the use of firearms.
- If you experience any malfunctions, stop using the firearm and consult a qualified gunsmith.

Instructions for Installation and Usage

- Ensure that your firearm is clean and properly maintained before loading.
- Load the 327 Federal Brass cartridges into the magazine or chamber according to the manufacturer's instructions for your specific firearm.
- Check the ammunition for proper seating and alignment.
- When ready to fire, assume a stable shooting position and grip the firearm firmly.
- After firing, keep the firearm pointed in a safe direction and wait for a few moments to ensure no further rounds are chambered.

Disposal Instructions

- Dispose of used or damaged ammunition responsibly.
- Do not throw ammunition in the regular trash.
- Contact local authorities or a hazardous waste disposal service for proper disposal methods.
- Follow all local regulations regarding the disposal of ammunition.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the appropriate local authorities or your retailer. Ensure that you have all relevant information about your product at hand when seeking assistance.

By following these guidelines, you can help ensure your safety and the safety of those around you while using the 327 Federal Brass Starline ammunition. Always prioritize safety and responsibility in all firearm-related activities.
