SAKO A7 S VARMINT STOCK RIGHT HAND Safety Instruction Guide

Introduction

Thank you for choosing the SAKO A7 S Varmint Stock Right Hand. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your product. Please read this document carefully before using the stock to avoid potential hazards and to comply with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle the stock with care to avoid accidents.
- Ensure that the stock is compatible with your firearm before installation.
- Keep the stock out of reach of children and vulnerable individuals.
- Regularly inspect the stock for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the stock is securely attached to the firearm before use.
- Do not modify the stock in any way, as this may compromise safety.
- Use the stock only for its intended purpose; do not use it with incompatible firearms.
- Wear appropriate safety gear, such as eye protection, when using the firearm.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing stock from the firearm according to the manufacturer's instructions.
- Align the SAKO A7 S Varmint Stock with the firearm's receiver.
- Securely attach the stock using the provided screws or fasteners, ensuring it is firmly in place.
- Doublecheck that the stock is properly installed before proceeding.

2. Usage

- Always follow safe handling practices when using your firearm.
- Check that the stock is free from any obstructions before shooting.
- Maintain a proper grip and stance when using the firearm to ensure stability and control.
- After use, clean and maintain the stock according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the stock in accordance with local regulations regarding waste disposal.
- Do not dispose of the stock in regular household waste if it contains hazardous materials.
- Consider recycling options if available in your area.
