

VICKERS ELITE SIG SAUER™ FRONT SIGHTS, .45 ACP & .40 S&W - WILSON COMBAT SNAG-FREE FRONT SIGHT FOR SIG, GREEN FIBER OPTIC, .235

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

An Sig Sauer® Front Sight Designed to be Snag-Free Designed to pair with the Vickers Elite Battlesight rear sight, these snag-free front sights are purpose-built for use on Sig Sauer® handguns and can be had with fiber-optic, tritium, or Gold Bead inserts for low-light use. These front-sight blades measure .125-inch wide and .235-inch high. The rounded contour of the sight means you won't snag it on elements of your environment or inside your holster. The Vickers Elite Sig Sauer® .235" Front Sight is compatible with the following Sig Sauer® models chambered in .40 S&W or .45 ACP: P220, P229, P240, P245, P938 (9mm), Pro233, Pro2340, Pro245.

Vickers Elite Sig Sauer Front Sights Safety Instruction Guide

Introduction

Thank you for choosing the Vickers Elite Sig Sauer Front Sights. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before using the front sights.

General Safety Guidelines

- Ensure that the front sights are compatible with your Sig Sauer handgun model.
- Always handle firearms with care and follow safe firearm handling practices.
- Inspect the front sights regularly for any signs of wear or damage.
- Keep the front sights and your firearm clean and free from debris.
- Store the firearm in a secure location, away from children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not attempt to install or use the front sights if you are unfamiliar with firearm components.
- Always wear appropriate eye protection when installing or using the front sights.
- Ensure that the firearm is unloaded before installing or adjusting the front sights.
- Avoid using the firearm in wet or slippery conditions where it may be difficult to maintain control.
- Be aware of your surroundings and ensure that you have a safe area for shooting.

Instructions for Installation and Usage

1. Installation of Front Sights

- Ensure the firearm is completely unloaded.
- Use a proper sight tool or appropriate tools to remove the existing front sight.
- Carefully install the Vickers Elite Sig Sauer Front Sight by aligning it properly on the slide.
- Secure the sight according to the manufacturer's instructions.
- Doublecheck that the sight is firmly in place before use.

2. Usage of Front Sights

- Align the front sight with the rear sight for accurate aiming.
- Practice regularly to become familiar with the sight picture.
- Adjust your grip and stance to ensure stable shooting performance.

Disposal Instructions

- Dispose of any damaged or wornout front sights in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Vickers Elite Sig Sauer Front Sights, please refer to the manufacturer's contact details provided with your product packaging. Ensure you have the product model and

any relevant information ready for a more efficient response.

By following these guidelines, you can ensure a safe and enjoyable experience with your Vickers Elite Sig Sauer Front Sights. Always prioritize safety and responsible usage when handling firearms.
