

# VICKERS ELITE SIG SAUER™ FRONT SIGHTS, .45 ACP & .40 S&W - WILSON COMBAT SNAG-FREE FRONT SIGHT FOR SIG, RED FIBER OPTIC, .235

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

An Sig Sauer® Front Sight Designed to be Snag-Free Designed to pair with the Vickers Elite Battlesight rear sight, these snag-free front sights are purpose-built for use on Sig Sauer® handguns and can be had with fiber-optic, tritium, or Gold Bead inserts for low-light use. These front-sight blades measure .125-inch wide and .235-inch high. The rounded contour of the sight means you won't snag it on elements of your environment or inside your holster. The Vickers Elite Sig Sauer® .235" Front Sight is compatible with the following Sig Sauer® models chambered in .40 S&W or .45 ACP: P220, P229, P240, P245, P938 (9mm), Pro233, Pro2340, Pro245.

# Vickers Elite Sig Sauer Front Sights Safety Instruction Guide

## Introduction

Thank you for choosing the Vickers Elite Sig Sauer Front Sights. This guide provides essential safety instructions to ensure the safe use and installation of your product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that all firearms are unloaded before installing or handling the front sights.
- Always follow the manufacturer's instructions for your specific firearm model.
- Use protective eyewear when installing or adjusting sights to prevent injury from small parts or debris.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the front sights for any signs of wear or damage. Replace if necessary.

## Specific Safety Precautions for Use

- Do not attempt to modify the front sights in any way as this can compromise safety and performance.
- Ensure that the sights are securely attached before use to prevent them from becoming dislodged during operation.
- Avoid using the firearm in harsh conditions that may affect the integrity of the sights.
- Be aware of your surroundings and ensure a safe backdrop when using your firearm equipped with these sights.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, such as a punch tool and a hammer.

### 2. Installation Steps:

- Remove the existing front sight from your Sig Sauer handgun according to the manufacturer's instructions.
- Align the Vickers Elite Front Sight with the mounting slot on the handgun.
- Gently tap the front sight into place using the punch tool and hammer, ensuring it is seated securely.
- Check alignment with the rear sight to ensure proper sight picture.

### 3. PostInstallation Check:

- Confirm that the front sight is secure and does not move when pressure is applied.
- Conduct a function check of the firearm to ensure it operates correctly with the new sight installed.

### 4. Usage:

- Practice using the firearm in a safe environment to become familiar with the new sight.
- Adjust your aim as necessary based on your experience with the sight.

## **Disposal Instructions**

- Dispose of the product responsibly. If the front sights are damaged or no longer usable, follow local regulations for disposal of firearm accessories.
- Do not throw the product in regular household waste. Instead, seek out local recycling or hazardous waste disposal options.

## **Contact Information for Further Support**

For any inquiries or support regarding the Vickers Elite Sig Sauer Front Sights, please refer to the manufacturer's website or contact their customer service for assistance.

By following these guidelines and instructions, you can ensure the safe and effective use of your Vickers Elite Sig Sauer Front Sights. Always prioritize safety and proper handling practices with your firearm.
