# Safety Instruction Guide for SAA SHOOTERS PAK COLT/EMF FLAT SHOOTERS SPRING PAK

## Introduction

Thank you for choosing the SAA SHOOTERS PAK COLT/EMF FLAT SHOOTERS SPRING PAK. This product is designed to enhance the performance of your Colt Cowboy and Single Action Army, as well as EMF Hartford firearms. This guide provides essential safety instructions to ensure safe and effective use of the springs included in this kit.

## General Safety Guidelines

To ensure your safety and the safety of others, please adhere to the following guidelines:

- Always handle firearms with care and follow all local laws and regulations.
- Ensure that the firearm is unloaded before performing any maintenance or installation of new parts.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the springs for wear or damage before use.
- If you experience any issues with the product, stop using it immediately and seek professional assistance.

## Specific Safety Precautions for Use

When using the SAA SHOOTERS PAK, please observe the following precautions:

- Ensure that you are familiar with the operation of your firearm before installing the springs.
- Use appropriate tools when installing or adjusting the springs to avoid injury.
- Wear safety glasses to protect your eyes from any potential debris during installation.
- Avoid using excessive force when installing the springs to prevent damage to the components.
- If you are not confident in your ability to install the springs, consult a qualified gunsmith.

## Instructions for Installation and Usage

Follow these steps for the safe installation and use of the SAA SHOOTERS PAK:

### 1. Preparation

- Ensure that the firearm is completely unloaded and safe to handle.
- Gather necessary tools, including screwdrivers and pliers.

### 2. Installation of Springs

- Remove the existing mainspring and sear/bolt spring from the firearm.
- Carefully install the reduced power mainspring and sear/bolt spring from the SAA SHOOTERS PAK into the firearm.
- Replace the base pin spring with the extra power base pin spring provided in the kit.
- Install the stainless steel ejector spring as per your firearm's specifications.
- Ensure that all springs are seated properly and securely.

### 3. Testing

- After installation, test the trigger pull and functionality of the firearm in a safe environment.
- Make any necessary adjustments if the firearm does not function as expected.

### 4. Maintenance

- Regularly check the installed springs for signs of wear or damage.
- Replace any worn or damaged springs immediately to maintain safety and performance.

## **Disposal Instructions**

When disposing of old springs or packaging materials, please follow these guidelines:

- Dispose of old springs in accordance with local regulations regarding metal waste.
- Recycle packaging materials whenever possible.
- Do not dispose of springs in a manner that could pose a hazard to others.

## **Contact Information for Further Support**

For any questions or concerns regarding the SAA SHOOTERS PAK, please refer to the manufacturer's contact information provided with the product. You can also consult the EU Safety Gate platform for updates on safety recalls or reports regarding this product.

By following these instructions and guidelines, you can ensure the safe and effective use of the SAA SHOOTERS PAK COLT/EMF FLAT SHOOTERS SPRING PAK. Thank you for your attention to safety, and enjoy your enhanced shooting experience!
