

# TE-Titan Compensator for AR-15 - Black - Titanium - 1/2-28 - 22 Caliber (.223) - Standard - 19mm

[Rifle Parts](#) > [IPSC Rifle Parts](#)

The compensator is designed for IPSC, together with one of the best shooters in the Nordic region (Kenneth Salen). The compensator is 3D printed, this will provide control of the gases, which has not previously been possible with traditional production.

The compensator consists of titanium grade 5, which makes the compensator light and strong. There are two holes in the front chamber, dimensioned for the AR 15 platform. The holes can be drilled to remove all mozzle movment. The compensator can be adjusted precisely to your weapon, ammunition and use.

-The TE-Titan compensator gives you full control of the recoil.

## Attributes

- Name: [TE-Titan Compensator for AR-15 - Black - Titanium - 1/2-28 - 22 Caliber \(.223\) - Standard - 19mm](#)

# TETitan Compensator for AR15 Safety Instruction Guide

## Introduction

Thank you for choosing the TETitan Compensator for AR15. This guide provides essential safety instructions and information to ensure the safe use of your compensator. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your AR15 and its components before using the compensator.
- Always handle firearms with care and follow the basic rules of firearm safety.
- The compensator is designed for use with .223 caliber ammunition. Using incompatible ammunition may result in malfunction or injury.
- Keep the compensator and all firearms out of reach of children and unauthorized users.
- Regularly inspect the compensator for any signs of wear or damage. Do not use a damaged compensator.

## Specific Safety Precautions for Use

- When firing, ensure that you are in a safe environment where shooting is permitted.
- Always wear appropriate safety gear, including eye and ear protection, when using the firearm equipped with the compensator.
- Be aware of your surroundings and ensure that there is a safe backstop for your shots.
- Avoid using the compensator in adverse weather conditions that may affect your control and safety.
- Never modify the compensator or use it in a manner not intended by the manufacturer.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing muzzle device from the AR15.
- Clean the muzzle threads of the firearm to ensure proper installation.
- Align the compensator with the muzzle threads and handtighten it clockwise.
- Use a wrench to securely tighten the compensator, but do not overtighten, as this may damage the threads.

### 2. Usage:

- Once installed, test the compensator in a controlled environment.
- Adjust the compensator as needed to suit your shooting style and ammunition.
- Monitor the performance of the compensator during shooting sessions.
- If you experience excessive recoil or muzzle movement, consider adjusting the compensator further.

## Disposal Instructions

- When disposing of the TETitan Compensator, follow local regulations regarding the disposal of metal products.
- If the compensator is damaged or no longer usable, consider recycling it at a designated metal recycling facility.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the TETitan Compensator, please refer to the manufacturer's contact details provided with the product.

## **Conclusion**

The TETitan Compensator is designed to enhance your shooting experience while providing recoil control. By following these safety instructions, you can ensure a safe and enjoyable experience with your compensator. Always prioritize safety and stay informed about best practices for firearm use.
