

# TE-Titan Compensator for AR-15 - Black - Titanium - 1/2-28 - 22 Caliber (.223) - Open - 19mm

[Rifle Parts](#) > [IPSC Rifle Parts](#)

The compensator is designed for IPSC, together with one of the best shooters in the Nordic region (Kenneth Salen). The compensator is 3D printed, this will provide control of the gases, which has not previously been possible with traditional production.

The compensator consists of titanium grade 5, which makes the compensator light and strong. There are two holes in the front chamber, dimensioned for the AR 15 platform. The holes can be drilled to remove all muzzle movement. The compensator can be adjusted precisely to your weapon, ammunition and use.

-The TE-Titan compensator gives you full control of the recoil.

## Attributes

- Name: [TE-Titan Compensator for AR-15 - Black - Titanium - 1/2-28 - 22 Caliber \(.223\) - Open - 19mm](#)

# TETitan Compensator for AR15 Safety Instruction Guide

## Introduction

Thank you for choosing the TETitan Compensator for AR15. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your compensator. Please read this document thoroughly before using the product.

## General Safety Guidelines

- Ensure the compensator is installed correctly before use.
- Always follow local laws and regulations regarding firearm accessories.
- Use the compensator only with the specified caliber and compatible firearms.
- Regularly inspect the compensator for any signs of wear or damage.
- Store the compensator in a safe and secure location away from children and unauthorized users.
- Report any unsafe conditions or product defects to the relevant authorities.

## Specific Safety Precautions for Use

- Do not use the compensator if it is damaged or modified.
- Ensure the firearm is unloaded before attaching or detaching the compensator.
- Use appropriate protective gear, including eye and ear protection, when firing.
- Be aware of your surroundings and ensure a safe shooting environment.
- Avoid using the compensator with ammunition types that are not recommended.
- Adjust the compensator only when the firearm is in a safe and controlled environment.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded.
- Clean the muzzle threads of the firearm to remove any debris.
- Align the compensator with the muzzle threads (1/228).
- Handtighten the compensator onto the muzzle until secure. Do not overtighten.
- Check for proper alignment and ensure there is no obstruction.

### 2. Usage:

- Fire the firearm in a safe and controlled environment.
- Monitor the compensator for any unusual behavior during firing.
- After use, allow the compensator to cool before handling.

## Disposal Instructions

- Dispose of the compensator in accordance with local regulations.
- Do not dispose of the compensator in regular household waste.
- Consider recycling options for metal components if available.

## Contact Information for Further Support

For inquiries or concerns regarding the TETitan Compensator for AR15, please consult your local retailer or

manufacturer's website for assistance.

By following the above guidelines and instructions, you can ensure a safe and effective experience with your TETitan Compensator for AR15. Thank you for prioritizing safety!
