

TE-Titan Compensator for AR-15 - Silver - Titanium - 1/2-28 - 22 Caliber (.223) - Standard - 19mm

[Rifle Parts](#) > [IPSC Rifle Parts](#)

The compensator is designed for IPSC, together with one of the best shooters in the Nordic region (Kenneth Salen). The compensator is 3D printed, this will provide control of the gases, which has not previously been possible with traditional production.

The compensator consists of titanium grade 5, which makes the compensator light and strong. There are two holes in the front chamber, dimensioned for the AR 15 platform. The holes can be drilled to remove all muzzle movement. The compensator can be adjusted precisely to your weapon, ammunition and use.

-The TE-Titan compensator gives you full control of the recoil.

TETitan Compensator for AR15 Safety Instruction Guide

Introduction

Thank you for choosing the TETitan Compensator for your AR15. This guide provides essential safety instructions and usage information to ensure safe and effective operation of the compensator. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the compensator is compatible with your specific AR15 model before installation.
- Always handle firearms and accessories with care, following all local laws and regulations.
- Use the compensator only with .223 caliber ammunition as specified.
- Store the compensator in a secure location, out of reach of children and unauthorized users.
- Inspect the compensator regularly for signs of wear or damage. Do not use if damaged.
- Always wear appropriate eye and hearing protection when using firearms equipped with the compensator.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- The TETitan compensator is designed to reduce recoil and muzzle rise. However, improper use may still result in loss of control.
- Ensure that the compensator is securely attached to the muzzle before firing.
- Be cautious of gas venting. The compensator is designed to control gas flow, but ensure that you and others are at a safe distance from the muzzle.
- Do not modify the compensator in any way, as this can compromise safety and performance.
- Children and inexperienced users should always be supervised by a qualified adult when handling firearms.

Instructions for Installation and Usage

Installation Instructions

1. **Ensure Safety:** Make sure the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Muzzle Device:** If there is an existing muzzle device, carefully remove it according to the manufacturer's instructions.
3. **Clean the Muzzle:** Ensure that the muzzle threads are clean and free of debris.
4. **Attach the Compensator:**
 - Screw the TETitan Compensator onto the muzzle threads (1/228) of your AR15.
 - Handtighten the compensator until secure. Do not overtighten.
5. **Check Alignment:** Ensure that the compensator is aligned correctly and that the holes are positioned as desired.

Usage Instructions

- When ready to fire, ensure that you are in a safe position and that all safety precautions are observed.
- Always check your ammunition to confirm it is .223 caliber before loading.
- After each use, inspect the compensator for any signs of wear or damage.
- If you experience excessive recoil or any malfunctions, cease use immediately and consult a qualified gunsmith.

Disposal Instructions

- Dispose of the compensator according to local regulations regarding metal products.
- Do not dispose of the compensator in regular household waste.
- Consider recycling the titanium material if possible.

Contact Information for Further Support

For safety inquiries or concerns regarding the TETitan Compensator, please refer to the manufacturer's contact information provided with the product packaging.

Conclusion

Your safety is our priority. By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your TETitan Compensator for AR15. Always prioritize safety and compliance with local laws when using firearms and accessories.
