

# TE-Titan Compensator for AR-15 - Silver - Titanium - 1/2-28 - 22 Caliber (.223) - Open - 19mm

[Rifle Parts](#) > [IPSC Rifle Parts](#)

The compensator is designed for IPSC, together with one of the best shooters in the Nordic region (Kenneth Salen). The compensator is 3D printed, this will provide control of the gases, which has not previously been possible with traditional production.

The compensator consists of titanium grade 5, which makes the compensator light and strong. There are two holes in the front chamber, dimensioned for the AR 15 platform. The holes can be drilled to remove all muzzle movement. The compensator can be adjusted precisely to your weapon, ammunition and use.

-The TE-Titan compensator gives you full control of the recoil.

## Attributes

- Name: [TE-Titan Compensator for AR-15 - Silver - Titanium - 1/2-28 - 22 Caliber \(.223\) - Open - 19mm](#)

# TETitan Compensator for AR15 Safety Instruction Guide

## Introduction

Thank you for choosing the TETitan Compensator for AR15. This product is designed to enhance your shooting experience by providing better control over recoil and muzzle movement. It is important to read this safety instruction guide carefully to ensure safe and effective use of the compensator.

## General Safety Guidelines

To ensure your safety and the safety of others, please adhere to the following general safety guidelines:

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Be aware of your target and what lies beyond it.
- Use appropriate eye and ear protection when shooting.
- Store the compensator and your firearm securely to prevent unauthorized access.
- Regularly inspect the compensator for wear or damage before use.

## Specific Safety Precautions for Use

When using the TETitan Compensator, please consider the following precautions:

- Ensure that the compensator is compatible with your specific AR15 model.
- Only use ammunition that is appropriate for the compensator's specifications (22 Caliber/.223).
- Do not modify the compensator in any way, as this may compromise its safety and effectiveness.
- Be cautious of hot gases and debris expelled from the compensator during firing.
- Ensure that the compensator is securely attached to the muzzle before firing.

## Instructions for Installation and Usage

Follow these steps for proper installation and usage of the TETitan Compensator:

### 1. Installation

- Ensure that your firearm is unloaded before beginning the installation.
- Remove the existing muzzle device from your AR15.
- Clean the muzzle threads to ensure proper fit.
- Align the compensator with the muzzle threads and handtighten it in a clockwise direction.
- Use a torque wrench to tighten the compensator to the manufacturer's recommended specifications, ensuring it is secure but not overtightened.

### 2. Usage

- Before firing, ensure that the compensator is properly installed and secure.
- Use the compensator in accordance with the manufacturer's recommendations for ammunition and shooting conditions.
- Monitor the performance of the compensator during use and make adjustments as necessary for optimal performance.

## **Disposal Instructions**

When the TETitan Compensator reaches the end of its life cycle or is no longer needed, please follow these disposal instructions:

- Dispose of the compensator in accordance with local regulations regarding metal waste.
- Do not dispose of the compensator in regular household waste.
- Consider recycling options available in your area for titanium materials.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the TETitan Compensator, please reach out to the designated contact point provided at the time of purchase. Ensure you have the product information available for reference.

## **Conclusion**

Your safety is our priority. By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your TETitan Compensator for AR15. Always stay informed about product safety and recalls through appropriate channels. Thank you for your attention to safety.
