

TE-Titan Compensator for AR-15 - Silver - Titanium - 1/2-28 - 22 Caliber (.223) - Open - 23mm

[Rifle Parts](#) > [IPSC Rifle Parts](#)

The compensator is designed for IPSC, together with one of the best shooters in the Nordic region (Kenneth Salen). The compensator is 3D printed, this will provide control of the gases, which has not previously been possible with traditional production.

The compensator consists of titanium grade 5, which makes the compensator light and strong. There are two holes in the front chamber, dimensioned for the AR 15 platform. The holes can be drilled to remove all muzzle movement. The compensator can be adjusted precisely to your weapon, ammunition and use.

-The TE-Titan compensator gives you full control of the recoil.

TETitan Compensator for AR15 Safety Instructions

Introduction

Thank you for purchasing the TETitan Compensator for AR15. This product is designed to enhance your shooting experience while ensuring safety and performance. Please read this manual carefully to understand the safety guidelines, installation instructions, and proper usage of the compensator.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the compensator is compatible with your specific AR15 model.
- Use only the recommended caliber (.223) ammunition with this compensator.
- Inspect the compensator and firearm before each use for any signs of damage or wear.
- Always wear appropriate shooting safety gear, including eye and ear protection.
- Store the compensator and firearm securely when not in use to prevent unauthorized access.
- Do not modify the compensator or firearm without consulting a qualified gunsmith.

Specific Safety Precautions for Use

- Ensure that the compensator is properly installed before firing the weapon.
- Be aware of your surroundings and ensure there is a safe backstop when firing.
- Do not fire the weapon in an enclosed space without proper ventilation.
- Avoid shooting in wet or muddy conditions, as this may affect the performance of the compensator.
- Keep hands and face clear of the muzzle when firing.
- If you experience any unusual sounds or malfunctions, cease firing immediately and inspect the firearm and compensator.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Make sure the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Muzzle Device:** If applicable, carefully remove the existing muzzle device from your AR15.
3. **Check Threads:** Confirm that the muzzle threads on your AR15 are 1/228.
4. **Install Compensator:**
 - Align the compensator with the muzzle threads.
 - Handtighten the compensator onto the muzzle until secure.
5. **Final Check:** Use a wrench to tighten the compensator, ensuring it is secure but not overtightened.

Usage

- Load your firearm with the appropriate .223 caliber ammunition.
- Ensure that the compensator is functioning properly before each shooting session.
- Adjust the compensator as needed for your specific shooting style and ammunition.
- After use, clean the compensator and firearm according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the compensator in accordance with local regulations for metal waste.
- Do not dispose of the compensator in regular household waste.

- Contact your local waste management authority for information on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or support related to the TETitan Compensator for AR15, please contact the manufacturer or your local retailer. It is essential to have access to support for any questions or concerns regarding the safe use of this product.

Conclusion

Your safety and satisfaction are our top priorities. By following the guidelines and instructions provided in this manual, you can ensure a safe and enjoyable experience with your TETitan Compensator for AR15. Always stay informed about safety practices and report any unsafe products or incidents to the appropriate authorities. Thank you for choosing TETitan.
