

# Ventures Magazine Couplers - 22 Caliber (.223-.224)

## Magazines

MAG|Coupler™ Magazine Couplers enable firearms enthusiasts now have an effective way to safely and securely improve magazine handling. The patented product couples magazines by replacing their floorplates with a MAG|Coupler to facilitate more expedient and efficient magazine swaps without increasing the capacity of an individual magazine. MAG|Couplers simply replace the floorplate / baseplate of your existing magazine allowing for the connection of two like magazines back to back.

Fits:

MAGPUL® PMAG® AR/M4 GEN M3™  
.223 / 5.56x45mm

US Patent No. 10126076

# RJK Ventures Magazine Couplers Safety Instruction Guide

## Introduction

Thank you for choosing the RJK Ventures Magazine Couplers for your firearms needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of our product. Please read this manual carefully before using the MAG|Coupler™ Magazine Couplers to enhance your experience while ensuring safety.

## General Safety Guidelines

- Always treat firearms and magazines as if they are loaded.
- Ensure that you are in a safe environment when handling firearms.
- Keep the MAG|Coupler™ out of reach of children and unauthorized users.
- Regularly inspect your magazines and the MAG|Coupler™ for wear and tear.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure the MAG|Coupler™ is compatible with your magazines (e.g., MAGPUL® PMAG® AR/M4 GEN M3™ .223 / 5.56x45mm).
- Do not use the MAG|Coupler™ with magazines that are damaged or worn.
- Avoid using the MAG|Coupler™ in environments where it may be exposed to extreme temperatures or moisture.
- Do not attempt to modify or alter the MAG|Coupler™ in any way.
- Always follow the manufacturer's instructions for loading and handling magazines.

## Instructions for Installation and Usage

### Installation

1. **Remove Existing Floorplate:** Carefully detach the floorplate from your magazine according to the manufacturer's instructions.
2. **Attach MAG|Coupler™:** Align the MAG|Coupler™ with the magazine body and press it into place until it clicks securely.
3. **Check Connection:** Ensure that the MAG|Coupler™ is firmly attached and there are no gaps between the coupler and the magazine.
4. **Repeat for Second Magazine:** If coupling two magazines, repeat the process for the second magazine.

### Usage

- To use the coupled magazines, hold the combined unit firmly and insert it into the firearm as you would with a single magazine.
- When swapping magazines, ensure that the firearm is pointed in a safe direction.
- Practice magazine swaps in a controlled environment to become familiar with the process.

## Disposal Instructions

- Dispose of the MAG|Coupler™ responsibly. Do not throw it in regular household waste.
- Check local regulations for proper disposal methods for firearms accessories.
- If the MAG|Coupler™ is damaged beyond use, consider recycling it if possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the usage or safety of the RJK Ventures Magazine Couplers, please refer to the manufacturer's website or contact your local retailer for assistance.

Thank you for prioritizing safety while using the RJK Ventures Magazine Couplers. Your responsible handling of firearms contributes to a safer environment for all.
