

# Ventures Magazine Couplers - 30 Caliber (.308)

## Magazines

MAG|Coupler™ Magazine Couplers enable firearms enthusiasts now have an effective way to safely and securely improve magazine handling. The patented product couples magazines by replacing their floorplates with a MAG|Coupler to facilitate more expedient and efficient magazine swaps without increasing the capacity of an individual magazine. MAG|Couplers simply replace the floorplate / baseplate of your existing magazine allowing for the connection of two like magazines back to back.

Fits:

AR 10 MAGPUL® PMAG® LR/SR GEN M3™  
.308 / 7.62x51mm

US Patent No. 10126076

# Safety Instruction Guide for RJK Ventures Magazine Couplers 30 Caliber (.308)

## Introduction

Thank you for choosing the RJK Ventures Magazine Couplers. This product is designed to enhance the efficiency and safety of magazine handling for firearms enthusiasts. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only with compatible magazines as specified in the product description.
- Always handle firearms and magazines with care and follow all local laws and regulations regarding firearm safety.
- Keep the product out of reach of children and unauthorized users.
- Inspect the MAG|Coupler and magazines regularly for signs of wear or damage. Do not use damaged products.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the MAG|Coupler with AR 10 MAGPUL® PMAG® LR/SR GEN M3™ .308 / 7.62x51mm magazines.
- Do not attempt to modify the MAG|Coupler or the magazines in any way.
- Ensure that the MAG|Coupler is securely attached to the magazine before use.
- Avoid dropping or mishandling the combined magazines, as this may compromise their integrity.
- Always treat firearms as if they are loaded, even if you believe they are not.

## Instructions for Installation and Usage

### 1. Installation of MAG|Coupler:

- Ensure that the magazine is empty and free from ammunition before starting.
- Carefully remove the existing floorplate/baseplate from the magazine.
- Align the MAG|Coupler with the magazine and press it onto the magazine base until it clicks into place.
- Repeat the process for the second magazine to be coupled.

### 2. Using the MAG|Coupler:

- To swap magazines, hold the coupled magazines firmly.
- Pull the first magazine out while simultaneously pushing the second magazine into the firearm.
- Ensure that the magazines are securely coupled and that there is no movement before firing.

### 3. PostUsage Care:

- After use, clean the MAG|Coupler and magazines according to the manufacturer's recommendations.
- Store the magazines in a safe and secure location, away from children and unauthorized users.

## **Disposal Instructions**

- Dispose of the MAG|Coupler and any associated packaging materials in accordance with local waste disposal regulations.
- Do not dispose of the product in fire or water to prevent environmental harm.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and usage of the RJK Ventures Magazine Couplers, please refer to the appropriate support channels provided by your retailer or manufacturer.

Thank you for prioritizing safety and compliance while using RJK Ventures Magazine Couplers. Enjoy your enhanced magazine handling experience!
