

# Ventures Magazine Couplers - 7.62x39 (.310)

## Magazines

MAG|Coupler™ Magazine Couplers enable firearms enthusiasts now have an effective way to safely and securely improve magazine handling. The patented product couples magazines by replacing their floorplates with a MAG|Coupler to facilitate more expedient and efficient magazine swaps without increasing the capacity of an individual magazine. MAG|Couplers simply replace the floorplate / baseplate of your existing magazine allowing for the connection of two like magazines back to back.

Fits:

MAGPUL® PMAG® AK/AKM MOE®  
7.62x39mm

US Patent No. 10126076

# RJK Ventures Magazine Couplers Safety Instruction Guide

## Introduction

Thank you for choosing the RJK Ventures Magazine Couplers for your firearms needs. This guide provides essential safety instructions and usage guidelines to ensure the safe and effective use of your MAG|Coupler™ Magazine Couplers. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used in compliance with all applicable laws and regulations regarding firearms and ammunition in your area.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Keep the MAG|Coupler™ out of reach of children and unauthorized users.
- Regularly inspect the MAG|Coupler™ for wear or damage before each use.
- If you notice any defects or issues, discontinue use immediately and contact a qualified professional for assistance.

## Specific Safety Precautions for Use

- Use only with compatible magazines as specified in the product description.
- Do not exceed the manufacturer's recommended usage limits.
- Avoid using the MAG|Coupler™ in adverse conditions, such as extreme temperatures or wet environments.
- Always ensure that the magazines are properly secured in the MAG|Coupler™ before use.
- Do not attempt to modify or alter the MAG|Coupler™ in any way.

## Instructions for Installation and Usage

### 1. Installation of MAG|Coupler™:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing floorplate/baseplate from your magazine.
- Align the MAG|Coupler™ with the magazine and press firmly to secure it in place.
- Ensure that the MAG|Coupler™ is properly seated and locked in position.

### 2. Using the MAG|Coupler™:

- To couple two magazines, insert the second magazine into the open end of the MAG|Coupler™.
- Ensure both magazines are securely connected before attempting to use them.
- When swapping magazines, practice safe firearm handling and ensure that the firearm is pointed in a safe direction.

### 3. Regular Maintenance:

- Clean the MAG|Coupler™ regularly to ensure optimal performance.
- Inspect for wear and tear, and replace if necessary.

## Disposal Instructions

- Dispose of the MAG|Coupler™ in accordance with local regulations regarding plastic and firearm accessories.

- Do not dispose of in regular household waste. Instead, consider recycling options or designated disposal sites.

## **Contact Information for Further Support**

For safety inquiries or additional support, please refer to the product packaging or visit the manufacturer's website for more information. Always ensure you have access to updated safety information and product recalls.

By following these guidelines, you can ensure a safe and enjoyable experience with your RJK Ventures Magazine Couplers. Thank you for prioritizing safety and responsible firearm handling.
