# GUN OIL (AEROSOL) 400ml Safety Instructions

## Introduction

Thank you for choosing GUN OIL (AEROSOL) 400ml by GENERAL NANO PROTECTION. This product is designed for effective gun cleaning and maintenance. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always store the product in a cool, dry place away from direct sunlight and heat sources.
- Keep out of reach of children and pets to prevent accidental ingestion or misuse.
- Use the product only for its intended purpose, as a gun cleaning agent.
- Avoid contact with eyes and skin. If contact occurs, rinse thoroughly with water and seek medical advice if irritation persists.
- Do not spray near open flames or hot surfaces. The aerosol is flammable.
- Ensure adequate ventilation when using the product to avoid inhalation of fumes.
- In case of accidental ingestion, do not induce vomiting. Seek medical attention immediately.

## Specific Safety Precautions for Use

- Wear protective gloves and goggles when handling the aerosol to minimize skin and eye exposure.
- Do not use the product on surfaces that are not intended for gun cleaning.
- Avoid using the product in enclosed spaces without proper ventilation.
- Do not puncture or incinerate the canister, even when empty.
- Check for any signs of damage or leakage before use. Do not use if the canister is damaged.

## Instructions for Installation and Usage

### 1. Preparation:

- Shake the canister well before use to ensure proper mixing of the contents.
- Ensure the gun is unloaded and pointed in a safe direction.

### 2. Application:

- Hold the canister upright and spray the product onto the areas of the gun that require cleaning.
- Allow the product to penetrate for a few moments before wiping with a clean cloth or brush.

### 3. PostUse:

- After cleaning, store the gun in a safe and secure location.
- Ensure the canister is tightly closed after use to prevent leakage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding hazardous waste.
- Do not dispose of the canister in household waste or recycling bins.
- Take the used canister to a designated hazardous waste disposal facility.

## Contact Information for Further Support

For any safety inquiries or concerns, please consult the manufacturer's contact information included with your product packaging. Always refer to the EU Safety Gate platform for the latest recall information and updates on

product safety.

Thank you for prioritizing safety while using GUN OIL (AEROSOL) 400ml. Your responsible use of this product contributes to a safer environment for everyone.
