GUN OIL (AEROSOL) 400ml Safety Instruction Guide

Introduction

Thank you for choosing General Nano Protection's GUN OIL (AEROSOL) 400ml. This guide provides essential safety instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Always store the product out of reach of children and pets.
- Use the product only for its intended purpose as a gun cleaning and maintenance solution.
- Avoid contact with skin and eyes. If contact occurs, rinse immediately with plenty of water.
- Ensure proper ventilation when using the aerosol to avoid inhalation of fumes.
- Do not expose the product to heat sources, sparks, or open flames.
- Check the product for any damage before use. Do not use if the can is punctured or leaking.

Specific Safety Precautions for Use

- Wear protective gloves and eyewear when handling the product to minimize exposure.
- Do not spray the product near food or food preparation areas.
- Avoid spraying on surfaces that may be damaged by solvents.
- Do not use the product in confined spaces without adequate ventilation.
- Ensure that the product is not used by individuals who are sensitive to chemical substances.

Instructions for Installation and Usage

- Shake the can well before use to ensure even distribution of the product.
- Hold the can upright and spray from a distance of approximately 2030 cm away from the surface to be treated.
- Apply a light, even coat to the surface of the firearm, avoiding excessive application.
- Allow the product to dry completely before handling the firearm.
- For best results, follow up with a clean cloth to remove any excess oil.

Disposal Instructions

- Dispose of the product according to local regulations for hazardous waste.
- Do not puncture or incinerate the can, even when empty.
- Ensure that the product is kept out of reach of children during disposal.

Contact Information for Further Support

For any safety inquiries or concerns regarding the GUN OIL (AEROSOL) 400ml, please reach out to the appropriate EUbased contact point for assistance.

By adhering to these safety instructions, you can ensure a safe and effective experience while using the GUN OIL (AEROSOL) 400ml. Thank you for prioritizing safety!
