

# Silicone Oil 200ml

## Gun Cleaning & Chemicals

Silicone oil is dedicated to both pneumatic guns, rifles, and Airsoft guns. It perfectly preserves surfaces, gives them elasticity, and prevents aging. It is used as a slip agent for rubber and plastic surfaces. It does not evaporate, does not damage wood, and is resistant to water and dirt.

# Silicone Oil 200ml Safety Instruction Guide

## Introduction

Thank you for choosing Silicone Oil 200ml. This product is designed for use with pneumatic guns, rifles, and Airsoft guns. It helps preserve surfaces, provides elasticity, and prevents aging. This guide provides essential safety instructions to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure safe use of Silicone Oil by following these guidelines:
  - Always read and understand the instructions before use.
  - Keep the product out of reach of children and vulnerable individuals.
  - Use the product only for its intended purpose as specified.
  - Do not use the product near open flames or high heat sources.
  - Store the product in a cool, dry place away from direct sunlight.
  - Regularly check for any updates or recalls related to this product on the EU Safety Gate platform.

## Specific Safety Precautions for Use

- To avoid potential hazards while using Silicone Oil, please adhere to the following precautions:
  - Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water.
  - Do not ingest the product. If swallowed, seek medical attention immediately.
  - Ensure adequate ventilation in the area of use to prevent inhalation of fumes.
  - Do not mix with other chemicals or products unless specified.
  - Dispose of any unused product or empty containers according to local regulations.

## Instructions for Installation and Usage

- Follow these steps for the proper installation and usage of Silicone Oil:
  1. **Preparation:** Ensure the surface to be treated is clean and dry.
  2. **Application:**
    - Shake the bottle well before use.
    - Apply a small amount of Silicone Oil to a clean cloth or directly onto the surface.
    - Spread evenly over the desired area, ensuring complete coverage.
  3. **Postapplication:** Allow the product to sit for a few minutes to penetrate the surface.
  4. **Storage:** After use, securely close the bottle and store it in a safe location.

## Disposal Instructions

- Proper disposal of Silicone Oil and its containers is crucial:
  - Do not dispose of in household waste.
  - Check local regulations for hazardous waste disposal.
  - Take unused or expired product to a designated collection point or hazardous waste facility.

## Contact Information for Further Support

- For safety inquiries or further assistance, please refer to the contact details provided on the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure the safe use of Silicone Oil 200ml while protecting yourself and others. Thank you for your attention to safety.
