# Safety Instruction Guide for DEGREASER CLEANER (AEROSOL)

## Introduction

Thank you for choosing the DEGREASER CLEANER (AEROSOL) by GENERAL NANO PROTECTION. This product is designed to effectively clean and degrease various surfaces. To ensure safe and effective use, please read this safety instruction guide carefully. It complies with the EU General Product Safety Regulation (GPSR) and provides essential safety information.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product in a wellventilated area to avoid inhalation of fumes.
- Do not use near open flames or sources of ignition.
- Avoid contact with skin and eyes; use protective gloves and eyewear if necessary.
- Always check for any specific warnings or instructions on the product label.

## Specific Safety Precautions for Use

- **Flammability:** This product is flammable. Keep away from heat, sparks, and open flames.
- **Inhalation:** Prolonged inhalation of vapors may cause respiratory irritation. Use in a wellventilated area.
- **Skin Contact:** Avoid direct contact with skin. In case of contact, wash with soap and water.
- **Eye Contact:** In case of contact with eyes, rinse immediately with plenty of water and seek medical attention if irritation persists.
- **Storage:** Store in a cool, dry place away from direct sunlight and heat sources.

## Instructions for Installation and Usage

### 1. Preparation:

- Shake the aerosol can well before use.
- Ensure the area is wellventilated.
- Protect surrounding surfaces from overspray.

### 2. Application:

- Hold the can upright and spray from a distance of 20-30 cm from the surface to be cleaned.
- Apply a thin, even layer of the product on the target surface.
- Allow the product to sit for a few moments to penetrate grease and grime.

### 3. Wiping:

- Use a clean cloth or sponge to wipe the surface clean.
- For tough stains, repeat the application if necessary.

### 4. After Use:

- Ensure the area is wellventilated until all vapors have dissipated.
- Dispose of any used cloths or sponges according to local regulations.

## Disposal Instructions

- Do not dispose of the product in household waste.
- Dispose of the aerosol canister according to local hazardous waste disposal regulations.
- Ensure that the can is completely empty before disposal.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding the DEGREASER CLEANER (AEROSOL), please refer to the contact information provided on the product packaging or visit the manufacturer's website.

## Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the DEGREASER CLEANER (AEROSOL). Always prioritize safety and consult the guidelines regularly. Thank you for your attention to these important safety measures.
