

# Optic Cleaner 100ml

## [Gun Cleaning & Chemicals](#)

OPTIC CLEANER is an innovative cleaning agent for precision optics. The product easily, quickly and effectively cleans glass surfaces by creating a hydrophobic coating. Perfectly removes stains and any dirt (greasy palm trees, corns, pollen, etc.). Quickly evaporates and leaves no streaks. It is completely harmless to various materials and anti-reflective coatings.

# Optic Cleaner 100ml Safety Instruction Guide

## Introduction

Thank you for choosing Optic Cleaner, an innovative cleaning agent designed for precision optics. This guide provides essential safety instructions to ensure the safe and effective use of the product, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure safe use of the Optic Cleaner by following the instructions provided.
- The product is designed to minimize risks associated with cleaning precision optics.
- Always check for recall updates on the EU's Safety Gate platform.
- Report any unsafe products or accidents related to the use of this product to the relevant authorities.

## Specific Safety Precautions for Use

- Keep out of reach of children and pets.
- Avoid contact with eyes. In case of contact, rinse immediately with plenty of water and seek medical advice.
- Do not ingest. If swallowed, seek medical attention immediately.
- Use in a wellventilated area to avoid inhalation of vapors.
- Do not use on surfaces that are not compatible with cleaning agents.
- Test on a small, inconspicuous area before applying to the entire surface.
- Avoid prolonged skin contact. If skin irritation occurs, wash with soap and water and seek medical advice if necessary.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the surface to be cleaned is free from loose dirt and debris.
- Shake the bottle well before use.

### 2. Application:

- Spray a small amount of Optic Cleaner directly onto the glass surface.
- Use a clean, soft microfiber cloth to wipe the surface in a circular motion.
- For tough stains, allow the cleaner to sit for a few seconds before wiping.

### 3. Finishing:

- Ensure the surface is completely dry and free from streaks before use.
- Store the product in a cool, dry place away from direct sunlight.

## Disposal Instructions

- Dispose of the product and its container in accordance with local regulations.
- Do not pour down the drain or dispose of in regular household waste.
- Check for any specific disposal instructions on the product label.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the use of Optic Cleaner, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective cleaning experience with Optic Cleaner. Thank you for prioritizing safety!
