Brownells RD9 Austria Safety Instruction Guide

Introduction

Thank you for choosing the Brownells RD9 Austria. This sporting weapon has been specially developed for the IPSC area PCC. It is essential to follow safety guidelines to ensure safe and effective use. This guide provides important safety instructions and usage information in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store the firearm in a secure location away from unauthorized users, especially children.
- Regularly inspect the firearm for any signs of damage or wear.
- Use only the recommended ammunition specified for the Brownells RD9 Austria.
- Familiarize yourself with local laws and regulations regarding firearm ownership and usage.
- Attend a certified firearms safety course if you are a beginner.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded when not in use or when being cleaned.
- Use eye and ear protection when firing the firearm.
- Avoid using the firearm under the influence of alcohol or drugs.
- Do not modify the firearm or use aftermarket parts that are not approved by the manufacturer.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not shoot at hard surfaces or water, as this may cause ricochets.
- If a malfunction occurs, follow the manufacturer's instructions for clearing the issue safely.

Instructions for Installation and Usage

Installation

1. **Inspect the Components:** Before installation, check all components for damage or defects.
2. **Assemble the Firearm:**
 - Attach the upper part from Aero Precision to the lower part from CMMG.
 - Ensure that the barrel and bolt are securely fitted.
 - Install the handguard from Wrenchman and ensure it is locked in place.
 - Attach the rear stock from Double Star ACE Lite.
3. **Check Magazine Compatibility:** Ensure that the magazine used is compatible with Glock magazines as specified.
4. **Final Inspection:** Conduct a final inspection to ensure all parts are correctly assembled and secure.

Usage

1. **Loading the Firearm:**
 - Use the provided 10shot magazine to load the firearm.
 - Ensure the firearm is pointed in a safe direction while loading.
2. **Firing:**
 - Take a stable shooting stance and aim at the target.
 - Ensure the area is clear of people and obstacles before firing.
 - Pull the trigger smoothly and follow through.
3. **Unloading:**
 - After use, remove the magazine and ensure the chamber is empty.

- Store the firearm securely when not in use.

Disposal Instructions

- Dispose of the firearm and any associated components in accordance with local laws and regulations.
- Contact local authorities or licensed disposal services for guidance on proper disposal methods.
- Ensure that the firearm is rendered inoperable before disposal to prevent unauthorized use.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Brownells RD9 Austria, please refer to the manufacturer's customer support resources.

Important Note

In case of any unsafe conditions or accidents, report them immediately to the relevant authorities. Stay informed about recall updates via the EU's Safety Gate platform to ensure your safety and compliance with regulations.

Thank you for prioritizing safety and responsible use of your Brownells RD9 Austria. Enjoy your shooting experience responsibly!
