# Safety Instruction Guide for S.P.S. Falcon Uno

## Introduction

Thank you for choosing the S.P.S. Falcon Uno, a semiautomatic pistol designed for classic division shooting. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your firearm. Please read this document carefully before using the product.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Store the firearm securely and out of reach of children and unauthorized users.
- Regularly inspect the firearm for any signs of damage or malfunction.
- Ensure you are familiar with local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- Ensure you wear appropriate eye and ear protection while shooting.
- Use only the recommended ammunition for the S.P.S. Falcon Uno (40S&W).
- Do not modify the firearm in any way that could affect its safety or performance.
- Be cautious of the magazine's capacity; do not exceed the recommended rounds.
- Always keep the firearm clean and well-maintained to ensure reliability.
- If you experience any malfunctions or jams, follow the proper clearing procedures before attempting to fire again.

## Instructions for Installation and Usage

### 1. Loading the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Remove the magazine from the firearm.
- Load the magazine with the appropriate ammunition (40S&W 9 rounds).
- Insert the magazine back into the firearm until it clicks into place.

### 2. Preparing to Fire:

- Ensure the safety is in the "off" position.
- Grip the firearm firmly with both hands, using the ergonomic rubber grip for better control.
- Align the optic fiber front sight with your target.

### 3. Firing the Firearm:

- Take a deep breath and gently squeeze the trigger to fire.
- Keep your eyes on the target after firing to assess the shot.

### 4. After Firing:

- Immediately place the safety back in the "on" position.
- Remove the magazine and ensure the chamber is empty.
- Store the firearm securely.

## **Disposal Instructions**

- Dispose of any unused or expired ammunition according to local regulations.
- If the firearm is no longer in use, ensure it is rendered inoperable before disposal.
- Contact local authorities or a certified firearms dealer for proper disposal methods of firearms.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the S.P.S. Falcon Uno, please refer to the EUbased contact information provided with your product documentation.

Please remember that safe handling and responsible ownership are critical to your safety and the safety of others. Always prioritize safety when using your firearm.
