Caldwell Molded OWB Retention Holsters Tac Ops Holster Glock 26 RH Safety Instructions

Introduction

Thank you for choosing the Caldwell Molded OWB Retention Holsters Tac Ops Holster for your Glock 26 (also compatible with models 27 and 33). This guide provides essential safety instructions and guidelines to ensure the safe use of your holster. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the holster is suitable for your specific handgun model before use.
- Always keep your firearm pointed in a safe direction when drawing from or reholstering into the holster.
- Regularly inspect the holster for wear and tear, and replace it if any damage is found.
- Do not modify the holster in any way, as this may compromise its safety and functionality.
- Store the holster in a secure place, away from children and unauthorized users.
- Follow all local laws and regulations regarding the carrying of firearms.

Specific Safety Precautions for Use

- **Trigger Guard Retention Lock:** Ensure that the trigger guard retention lock is engaged when the firearm is in the holster. This prevents accidental discharges.
- **Ergonomic Design:** While the holster is designed for comfort, ensure that it does not impede your movement or access to the firearm.
- **Heavy Duty Carry Belts:** Use only compatible duty belts with the holster to ensure proper fit and stability.
- **Vulnerable Groups:** Keep the holster out of reach of children and anyone who may not understand safe handling practices.

Instructions for Installation and Usage

1. Installation:

- Choose a suitable belt that can support the weight of the holster and firearm.
- Slide the holster onto the belt, ensuring it is secure and positioned for easy access.

2. Usage:

- Always check that the firearm is unloaded before inserting it into the holster.
- Insert the firearm into the holster with the barrel facing down and the grip facing outward.
- Ensure the firearm is fully seated in the holster and that the retention lock is engaged.
- When drawing the firearm, maintain a firm grip on the holster to prevent it from moving.

3. Reholstering:

- Always point the firearm in a safe direction when reholstering.
- Ensure the holster is clear of obstructions before reholstering.
- Gently insert the firearm back into the holster, ensuring it is fully seated.

Disposal Instructions

- Dispose of the holster in accordance with local regulations.
- If the holster is damaged, do not attempt to repair it; dispose of it to prevent accidental use.

- Recycle materials where applicable, following local recycling guidelines.

Contact Information for Further Support

For any inquiries regarding safety or concerns about the Caldwell Molded OWB Retention Holsters Tac Ops Holster, please refer to the product packaging or visit the manufacturer's website for additional information and support resources.

By following these safety instructions, you can help ensure a safe and effective experience with your Caldwell Tac Ops Holster. Always prioritize safety and responsible firearm handling.
