# Caldwell Molded OWB Retention Holsters Tac Ops Holster Sig Sauer P226 Safety Instructions

## Introduction

Thank you for choosing the Caldwell Molded OWB Retention Holster for your Sig Sauer P226. This safety instruction guide is designed to help you use this product safely and effectively. Please read and follow all instructions carefully to ensure your safety and the safety of others.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure the holster is compatible with your specific handgun model.
- Regularly inspect the holster for signs of wear or damage.
- Keep the holster out of reach of children and unauthorized users.
- Use the holster only for its intended purpose.
- Do not modify the holster in any way.
- Follow all local laws and regulations regarding firearm storage and carry.

## Specific Safety Precautions for Use

- Ensure the trigger guard retention lock is fully engaged before use.
- Do not attempt to draw the firearm from the holster while the holster is secured to your body.
- Avoid exposing the holster to extreme temperatures or harsh chemicals that may affect its integrity.
- If you experience difficulty drawing your firearm, stop using the holster and consult the manufacturer.
- Always check that the firearm is secure in the holster before moving or engaging in any activities.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the holster is clean and free from debris.
- Position the holster on your belt outside the waistband (OWB) at your preferred carry position.
- Adjust the holster's retention to fit your firearm securely by following the manufacturer's guidelines.

### 2. Usage

- Before inserting your firearm, ensure it is unloaded and pointed in a safe direction.
- Slide the firearm into the holster until it clicks into place, indicating that the retention lock is engaged.
- To draw the firearm, firmly grip the handle while simultaneously releasing the retention lock.
- Practice drawing and reholstering your firearm in a safe environment to become familiar with the holster's operation.

## Disposal Instructions

- Dispose of the holster according to local waste management regulations.
- If the holster is damaged beyond use, consider recycling the polymer material if facilities are available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety or performance of your Caldwell Molded OWB Retention Holster, please reach out to the manufacturer through their official channels. Ensure you have your product details handy for efficient assistance.

By following these safety instructions, you can help ensure a safe and effective experience with your Caldwell Molded OWB Retention Holster. Thank you for prioritizing safety!
