

# Delta Series AR-15 Delta Ring Tool

[Gunsmith Tools](#) > [Rifle Tools](#) > [Handguard Tools](#)

The Wheeler Engineering® AR-15 Delta Ring Tool makes removing mil-spec AR-15 and M16 handguards easy by compressing the Delta Ring with one hand. Its 100% vinyl coating protects the guns finish from damage but is very durable, and a custom formed wire fits securely around Delta Ring. The Delta Ring Tool has a welded steel bracket for durability even with stuck or broken Delta Rings.

# Wheeler Delta Series AR15 Delta Ring Tool Safety Instruction Guide

## Introduction

Thank you for choosing the Wheeler Delta Series AR15 Delta Ring Tool. This tool is designed to assist you in removing milspec AR15 and M16 handguards safely and efficiently. Please read this safety instruction guide carefully to ensure proper use and to maximize your safety while using this product.

## General Safety Guidelines

- Always use the tool in accordance with the manufacturer's instructions.
- Keep the tool out of reach of children and unauthorized users.
- Inspect the tool for any damage before use. Do not use if damaged.
- Ensure you are using the tool in a welllit and safe environment.
- Wear appropriate personal protective equipment (PPE) when using the tool, such as safety glasses and gloves.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Risk of injury from improper use.
  - Risk of damage to the firearm's finish if the tool is not used correctly.
- **Avoiding Hazards:**
  - Always ensure that the firearm is unloaded before attempting to use the tool.
  - Do not apply excessive force when using the tool to avoid damaging the Delta Ring or the firearm.
  - Do not modify the tool in any way, as this may compromise its safety and effectiveness.
- **Age and Audience Specific Warnings:**
  - This tool is intended for use by adults only. Keep away from children and inexperienced users.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe condition.
- Gather all necessary tools and equipment.

### 2. Using the Delta Ring Tool:

- Hold the tool with one hand.
- Position the custom formed wire around the Delta Ring securely.
- Squeeze the handle to compress the Delta Ring, allowing for the removal of the handguard.
- Once the handguard is removed, carefully release the pressure on the tool.

### 3. PostUse:

- Inspect the tool for any signs of wear or damage after each use.
- Clean the tool as necessary to maintain its functionality.

## **Disposal Instructions**

- Dispose of the tool in accordance with local regulations.
- If the tool is damaged beyond repair, ensure it is disposed of in a manner that prevents injury to others.

## **Contact Information for Further Support**

For any safety inquiries or further support related to the Wheeler Delta Series AR15 Delta Ring Tool, please consult your local retailer or the manufacturer's website for contact details.

By following this guide, you can ensure safe and effective use of the Wheeler Delta Series AR15 Delta Ring Tool. Always prioritize safety and report any concerns regarding the product to the appropriate authorities. Thank you for your attention to these important safety instructions.
