Made from Experts for Experts, this is how high class products emerge, just like the PIG FDT Alpha. These Gloves were specially made and optimized for tactical shooting. Through the extra thin and tactical Design, the gloves are being used by sport shooters and special forces all over the USA.

And should your phone ring sometime while wearing the gloves, that's no problem! – the fingertips of the thumb and the triggerfinger are made out of touchscreen compatible material. Thanks to the mix of high quality materials, the PIG FDT Alpha Gloves enhanced and optimized on every critical point, but nonetheless they are most flexible and comfortable. The Design of the gloves will always adapt to the hands of its wearer and therefore grants unrestricted freedom of movement.

The most important features:

- Single Layer Design – no doubled material in the palm area, for better grip.
- Especially thin material on the tip of the triggerfinger, for perfect control of the trigger.
- Very flat velcro fastener on the inside, so you won't get stuck somewhere.
- Flex-Insoles on the back of the fingers – two on the triggerfinger – ensure unrestricted movement.
- Paracord loop so you can hang up the gloves.
- Enhanced material on the hand edges and over the knuckles.
- Touchscreen compatible thumb and indexfinger.

## Important notice:

**The gloves are very tightly cut, but will adapt to the hand of its wearer. We recommend you to wear the gloves a little in everyday life before shooting, so they fit you perfectly.**

# PIG Full Dexterity Tactical (FDT) Alpha Touch Glove Carbon Gray Safety Instructions

## Introduction

Thank you for choosing the PIG Full Dexterity Tactical (FDT) Alpha Touch Glove. This product has been designed with the highest standards of quality and safety in mind. This safety instruction guide provides essential information to ensure the safe use of the gloves and to help you enjoy their full capabilities.

## General Safety Guidelines

- **Product Safety:** The PIG FDT Alpha Gloves are designed for safe use during tactical shooting and other activities. Ensure that you follow all safety guidelines to minimize risks.
- **Enhanced Recalls:** Stay informed about any safety recalls related to this product. If a recall occurs, you will receive clear instructions on how to return the product and obtain remedies.
- **Online Shopping:** If you purchased these gloves online, be assured that the same safety standards apply as with physical stores.
- **Special Consumer Focus:** These gloves are not intended for children. Ensure that only individuals of appropriate age and experience use them.
- **EU Contact Point:** For any safety inquiries, please refer to the product packaging or manufacturer's website for EU-based contact information.
- **Rapid Alerts:** Keep updated on safety alerts regarding the gloves through official channels, including the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Fitting:** The gloves are tightly cut but will adapt to your hand over time. Wear them in everyday situations before using them for shooting to ensure a proper fit.
- **Touchscreen Compatibility:** The fingertips are made from touchscreen-compatible material. Use caution when operating devices while wearing the gloves to avoid accidents.
- **Grip and Control:** The single-layer design provides better grip and control, especially on the trigger finger. Ensure that you are comfortable with the glove's feel before engaging in shooting activities.
- **Movement:** The gloves are designed for unrestricted movement. Be aware of your hand positioning and movement capabilities while wearing them.
- **Material Sensitivity:** If you have sensitive skin or allergies, check the materials used in the gloves to avoid irritation.

## Instructions for Installation and Usage

### 1. Wearing the Gloves:

- Slide your hand into the glove, ensuring that the fingers fit snugly.
- Adjust the Velcro fastener on the inside for a secure fit.
- Ensure that the gloves do not restrict your movement.

### 2. Using the Gloves:

- When using the gloves for shooting, practice with them to familiarize yourself with their feel and responsiveness.
- Avoid using the gloves in wet conditions as this may affect grip and functionality.

### 3. Caring for the Gloves:

- Clean the gloves with a damp cloth after use to remove dirt and debris.
- Do not machine wash or tumble dry the gloves as this may damage the materials.
- Store the gloves in a cool, dry place away from direct sunlight.

## **Disposal Instructions**

- When the gloves reach the end of their life cycle, dispose of them responsibly.
- Check local regulations for proper disposal of textile products.
- If the gloves are damaged or no longer usable, consider recycling options where available.

## **Contact Information for Further Support**
