Made from Experts for Experts, this is how high class products emerge, just like the PIG FDT Alpha. These Gloves were specially made and optimized for tactical shooting. Through the extra thin and tactical Design, the gloves are being used by sport shooters and special forces all over the USA.

And should your phone ring sometime while wearing the gloves, that's no problem! – the fingertips of the thumb and the triggerfinger are made out of touchscreen compatible material. Thanks to the mix of high quality materials, the PIG FDT Alpha Gloves enhanced and optimized on every critical point, but nonetheless they are most flexible and comfortable. The Design of the gloves will always adapt to the hands of its wearer and therefore grants unrestricted freedom of movement.

The most important features:

- Single Layer Design – no doubled material in the palm area, for better grip.
- Especially thin material on the tip of the triggerfinger, for perfect control of the trigger.
- Very flat velcro fastener on the inside, so you won't get stuck somewhere.
- Flex-Insoles on the back of the fingers – two on the triggerfinger – ensure unrestricted movement.
- Paracord loop so you can hang up the gloves.
- Enhanced material on the hand edges and over the knuckles.
- Touchscreen compatible thumb and indexfinger.

Important notice:

The gloves are very tightly cut, but will adapt to the hand of its wearer. We recommend you to wear the gloves a little in everyday life before shooting, so they fit you perfectly.

PIG Full Dexterity Tactical (FDT) Alpha Touch Glove Carbon Gray Safety Instructions

Introduction

Thank you for choosing the PIG Full Dexterity Tactical (FDT) Alpha Touch Glove Carbon Gray. This glove is designed for tactical shooting and provides enhanced dexterity and comfort. To ensure your safety and the optimal use of this product, please read the following safety instructions carefully.

General Safety Guidelines

- Ensure safe use of the gloves by following the instructions provided in this guide.
- Be aware of potential hazards associated with the use of tactical gloves, including limited tactile feedback and potential for reduced grip in wet conditions.
- Regularly check for any signs of wear or damage to the gloves that may affect their performance.
- If you experience any discomfort or irritation while wearing the gloves, discontinue use immediately and consult a medical professional if necessary.
- Keep gloves away from fire and other heat sources to prevent material degradation.

Specific Safety Precautions for Use

- The gloves are designed to fit tightly. It is recommended to wear them a little in everyday life before using them for shooting to ensure a proper fit.
- Check the size chart for PIG gloves to select the appropriate size for your hands.
- Ensure that the gloves are dry before use to maintain grip and prevent slippage.
- Be cautious when using the gloves in wet conditions, as they may affect grip and control.
- Avoid using the gloves for activities other than their intended purpose, such as heavy lifting or tasks requiring high levels of tactile feedback.

Instructions for Installation and Usage

1. Wearing the Gloves

- Slide your hands into the gloves, ensuring that each finger fits comfortably into its respective compartment.
- Adjust the Velcro fastener on the inside to secure the gloves in place without restricting blood flow.

2. Using Touchscreen Features

- The gloves are equipped with touchscreen-compatible fingertips on the thumb and index finger. Ensure that these areas are clean for optimal touchscreen interaction.

3. Maintenance

- Clean the gloves regularly with a damp cloth to remove dirt and debris.
- Allow the gloves to air dry completely before storing them.
- Do not machine wash or tumble dry the gloves, as this may damage the materials.

4. Storage

- Store the gloves in a cool, dry place away from direct sunlight and heat sources.
- Use the paracord loop to hang the gloves when not in use, preventing them from getting lost or damaged.

Disposal Instructions

- When the gloves reach the end of their life cycle or are damaged beyond repair, dispose of them in accordance with local regulations for textile waste.
- Do not incinerate the gloves, as this may release harmful substances.

Contact Information for Further Support

For safety inquiries or to report any issues with the gloves, please refer to the contact information provided by the manufacturer. Ensure you have the product details handy when reaching out for assistance.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience while using the PIG Full Dexterity Tactical (FDT) Alpha Touch Glove Carbon Gray. Thank you for your attention to these important guidelines.
