Literally indestructible

The weapon cases from Explorer Cases each have corrosion proof metal hinges with lid stay features, which fixate the cover and hold it into place when opened. So you can rest assured that your weapon cases will assist you a long long time.

Thanks to the locking latches the weapon cases are always highly secured. The O-ring gasket also makes them water resistant to a great extend.

Every weapon case is equipped with a manual air pressure release valve. Therefore you can take it easy and will have no problem handling and closing the case.

Exactly how you want it

The cases are provided with internal cutouts for optional internal brackets or mounting rings, so you can store everything exactly as it is most suitable for your requirements.

Every single suitcase comes with a waterproof removable label with which you can label your equipment or store your data.

The case can either be transported traditionally via the large front handle or via optional shoulder straps, which can be easily attached to any model.

The Mod Red 9413 series can also be used as trolley case.

Safety Instructions for RED 9413 EXPLORER CASES

Introduction

Thank you for choosing the RED 9413 EXPLORER CASES. This product is designed to provide the best protection for your firearms and related equipment. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the case is used only for its intended purpose: to store and transport firearms and related equipment.
- Regularly inspect the case for any signs of wear or damage. Do not use the case if it is compromised.
- Always keep the case locked when not in use to prevent unauthorized access.
- Be aware of the weight of the case when loaded. Ensure you can safely lift and transport it.
- Keep the case away from extreme temperatures and moisture to maintain its integrity.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.

Specific Safety Precautions for Use

- When transporting firearms, ensure they are unloaded and secured within the case.
- Use the internal cutouts and brackets for optimal organization and safety of your equipment.
- Avoid placing heavy objects on top of the case to prevent damage.
- If using shoulder straps, ensure they are securely attached and adjusted for comfort.
- Keep the case out of reach of children and vulnerable individuals.

Instructions for Installation and Usage

- **Initial Setup:**
 - Remove the case from its packaging and inspect for any damage.
 - Familiarize yourself with the internal layout and features of the case.
- **Loading the Case:**
 - Open the case using the locking latches.
 - Place firearms and accessories in the designated areas, ensuring they are secure.
 - Use the waterproof removable label to identify your equipment if necessary.
- **Transporting the Case:**
 - Use the large front handle for traditional carrying or attach shoulder straps for alternative transport.
 - If using as a trolley case, ensure the wheels are functioning correctly before use.
- **Closing the Case:**
 - Ensure all items are properly secured and the lid is aligned.
 - Close the lid and engage the locking latches to secure the case.

Disposal Instructions

- Dispose of the case in accordance with local regulations regarding plastic waste.
- If the case is damaged beyond repair, ensure it is disposed of safely to prevent any hazards.

Contact Information for Further Support

For any questions or concerns regarding the RED 9413 EXPLORER CASES, please refer to the manufacturer's contact information provided with the product.

Thank you for your attention to these safety instructions. Proper use and care of your RED 9413 EXPLORER CASES will ensure its longevity and effectiveness in protecting your valuable equipment.
