

LSS Gen 2 Chassis System Remington - MDT Chassis - LSS Gen2 - Remington Model 7 - SA - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT.

MDT LSS Gen 2 Chassis System Safety Instructions

Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Remington Model 7 rifle. This guide provides essential safety instructions to ensure safe usage, installation, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the chassis system.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a chassis system for short barreled rifles.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the chassis system away from children and individuals who may not understand its use.
- Regularly inspect the chassis system for signs of wear or damage before each use.
- Report any unsafe product conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling firearms and accessories.
- Ensure that the firearm is unloaded before installing or adjusting the chassis system.
- Be aware of your surroundings and ensure that the area is safe for shooting.
- Do not exceed the manufacturer's recommended specifications for the chassis system.
- Use only compatible AR carbinestyle buttstocks and buffer tubes as specified by the manufacturer.
- Ensure that the folding stock adapter is securely attached before use.
- Always use AICStype detachable magazines that are compatible with the chassis system.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from your Remington Model 7 rifle.
- Install the MDT LSS Gen 2 Chassis System by following these steps:
 - Align the chassis with the receiver of the rifle.
 - Secure the chassis using the provided screws and tools, ensuring a tight fit.
 - Install the castle nut and pistol grip as per the manufacturer's instructions.
 - Attach the AR carbinestyle buttstock and buffer tube.
 - If using a folding stock adapter, ensure it is properly installed and locked in place.

2. Usage:

- Once installed, check that all components are secure before use.
- Load the rifle with a compatible AICStype detachable magazine.
- Adjust the buttstock and grip for a comfortable shooting position.
- Always ensure that the firearm is pointed in a safe direction when loading and unloading.

Disposal Instructions

- Dispose of the MDT LSS Gen 2 Chassis System in accordance with local regulations.
- Do not dispose of the chassis system in household waste.
- Check with local waste management authorities for proper disposal methods for aluminum and other

materials.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MDT LSS Gen 2 Chassis System, please refer to the manufacturer's website or contact your local distributor.

Thank you for prioritizing safety in your use of the MDT LSS Gen 2 Chassis System. Your attention to these guidelines helps ensure a safe and enjoyable experience.
