

LSS Gen 2 Chassis System Howa 1500 - MDT LSS Gen 2 Chassis System Howa Mini Action RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Howa Mini action uses factory Howa magazines. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT.

MDT LSS Gen 2 Chassis System Safety Instruction Guide

Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Howa 1500 Mini Action. This guide provides essential safety information, installation instructions, and usage guidelines to ensure your product is used safely and effectively.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Always handle firearms with care and follow standard safety practices.
- Keep the chassis and all components out of reach of children and unauthorized users.
- Inspect the chassis and its components regularly for signs of wear or damage.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Ensure that the firearm is unloaded before installing or adjusting the chassis system.
- Be cautious when using folding stock adapters; ensure they are securely locked in place before use.
- Only use factory Howa magazines with the Howa Mini action to avoid malfunction.
- Follow local laws and regulations regarding firearm modifications and usage.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components for installation, including the chassis system, castle nut, and pistol grip.
- Ensure you have a clean, welllit workspace.

2. Installation Steps

- Remove the existing stock from the Howa Mini action by unscrewing it from the receiver.
- Carefully align the MDT LSS Gen 2 Chassis System with the receiver.
- Secure the chassis to the receiver using the provided screws and ensure they are tightened properly.
- Attach the castle nut and pistol grip according to the manufacturer's instructions.
- If using a folding stock adapter, install it following the specific instructions provided with the adapter.

3. Usage Guidelines

- After installation, check the stability and alignment of the chassis system.
- Test the functionality of the firearm with the chassis installed in a safe and controlled environment.
- Regularly maintain and clean the chassis to ensure optimal performance.

Disposal Instructions

- Dispose of the chassis and any components in accordance with local regulations.
- Do not dispose of the product in general waste; instead, follow specific recycling guidelines for metal and

plastic materials.

Contact Information for Further Support

For any questions or concerns regarding the MDT LSS Gen 2 Chassis System, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your new MDT LSS Gen 2 Chassis System!
