

# Pistole 48 R FS MOS Kal.:9x19

[Firearms](#) > [Handguns](#)

Chambered in 9 mm Luger the G48 MOS features slide cuts designed for specific micro-optics and the GLOCK Mounting rail slim for mounting accessories. The perfect tactical partner with increased concealability.

The G48 MOS is of similar length and height as the compact size G19 but has the well-known GLOCK Slimline design with the reduced width of the pistol for perfect carrying comfort.

The frame features the GLOCK Mounting rail slim for mounting tactical accessories and incorporates elements of the Slimline series such the short trigger distance, a frame with a built-in beavertail, a reversible magazine catch and the incredibly accurate, match-grade GLOCK Marksman Barrel (GMB) of the Gen5 series. The G48 Rail also features precision-milled front serrations.

The slim (01) magazine is built in reliable GLOCK style, it has an orange magazine follower for higher visibility and is specifically developed to ensure the 10rds magazine capacity.

Note: The G48 with the Modular Optic System (MOS) does not come with adapter plates.

# Glock Pistole 48 R FS MOS Kal.:9x19 Safety Instructions

## Introduction

Thank you for choosing the Glock Pistole 48 R FS MOS Kal.:9x19. This safety instruction guide is designed to help you use your firearm safely and effectively. Please read and understand all instructions before handling your pistol. Adhering to these guidelines will help ensure your safety and the safety of those around you.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Always point the firearm in a safe direction.
- Be aware of your target and what is beyond it.
- Store firearms securely and out of reach of children.
- Regularly inspect your firearm for any signs of wear or damage.
- Use only the recommended ammunition specified by the manufacturer.
- Do not modify your firearm; any alterations may compromise safety.
- Be cautious when using accessories, ensuring they are compatible with your firearm.
- Follow all local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- Ensure that you are in a safe environment when handling your firearm.
- Always wear appropriate eye and ear protection when shooting.
- Avoid using your firearm under the influence of drugs or alcohol.
- If you are inexperienced, seek guidance from a qualified instructor.
- Be mindful of the weight and handling characteristics of the Glock 48, especially during rapid fire.
- Ensure that the magazine is removed and the chamber is empty when cleaning or inspecting your firearm.
- Be aware of the potential for ricochet and take necessary precautions.

## Instructions for Installation and Usage

### Installation of Accessories

- Ensure the firearm is unloaded before installing any accessories.
- Use only GLOCKapproved accessories to maintain safety and functionality.
- Follow the manufacturer's instructions for installing any accessory, including sights or lights.

### Usage Instructions

- To load the magazine, insert cartridges in the correct orientation, ensuring they are seated properly.
- Insert the loaded magazine into the pistol until it clicks into place.
- To chamber a round, pull the slide back and release it.
- To fire, aim, and gently squeeze the trigger while maintaining a firm grip on the firearm.
- After firing, keep the firearm pointed in a safe direction until you are ready to unload.
- To unload, remove the magazine and pull the slide back to eject any chambered round.

## Disposal Instructions

- Dispose of your firearm in accordance with local laws and regulations.

- If you need to dispose of ammunition or components, contact your local waste management authority for guidance.
- Never throw firearms or ammunition in regular trash; always follow proper disposal protocols.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding your Glock Pistole 48 R FS MOS Kal.:9x19, please refer to the manufacturer's support resources. It is essential to have access to reliable information for any questions or issues related to your firearm.

By following these safety instructions, you contribute to a safer environment for yourself and others. Always prioritize safety and responsibility when handling firearms.
