

Handgun 44 FS Kal.: .22lr.

[Firearms](#) > [Handguns](#)

Once you start with perfection – you stay with perfection. The G44 is the ideal pistol to start or enhance your shooting career at the range. The perfect mix of polymer and steel gives the experience of shooting a GLOCK pistol while handling a lightweight low recoil handgun.

The G44 is a compact size rimfire pistol you can adapt to nearly every hand size by using the different backstraps supplied with the pistol. It is tested with a broad range of ammunition and its GLOCK Marksman barrel stands for high precision.

The right equipment is essential, the G44 comes with adjustable slim polymer rear sights, two magazines with loading assist, a screwdriver for the sights, a new cleaning kit for the smaller barrel and a set of beavertail backstraps. Everything a well prepared shooter needs.

Glock Handgun 44 FS Safety Instruction Guide

Introduction

Thank you for choosing the Glock Handgun 44 FS. This guide provides essential safety instructions to ensure the safe use of your handgun. Please read this document carefully and keep it for future reference.

General Safety Guidelines

- Always treat every handgun as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Always point the handgun in a safe direction, away from yourself and others.
- Store the handgun in a secure location, out of reach of children and unauthorized users.
- Use only the recommended ammunition for your Glock Handgun 44 FS.
- Do not modify your handgun in any way that could affect its safety or performance.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure that the shooting area is clear of people and obstructions.
- Do not engage in horseplay or distractions while handling the handgun.

Specific Safety Precautions for Use

- **Age Restrictions:** This handgun is intended for use by individuals aged 18 and older. Ensure that younger individuals are supervised by a qualified adult at all times.
- **Vulnerable Groups:** Extra caution is advised when handling the handgun around children or inexperienced users. Always supervise their interaction with the firearm.
- **Environmental Awareness:** Be mindful of the shooting environment. Avoid shooting in areas where ricochets could occur or where there are people nearby.
- **Malfunction Protocol:** If your handgun fails to fire, keep it pointed downrange for at least 30 seconds before attempting to clear the malfunction. Follow the manufacturer's guidelines for addressing malfunctions.

Instructions for Installation and Usage

1. Unboxing and Inspection:

- Carefully remove the handgun from its packaging.
- Inspect the handgun for any visible damage or defects. If any issues are found, do not use the handgun and contact customer service.

2. Installing Backstraps:

- Choose the appropriate backstrap size for your hand.
- Align the backstrap with the grip and press firmly until it clicks into place.

3. Loading the Magazine:

- Ensure the handgun is pointed in a safe direction.
- Insert the magazine into the grip until it clicks into place.
- Use the loading assist provided to load ammunition into the magazine.

4. Firing the Handgun:

- Ensure that the handgun is pointed downrange.
- Check the safety features to confirm they are disengaged.

- Place your finger on the trigger only when ready to fire.
- Squeeze the trigger smoothly to fire. Do not jerk or pull.

5. Cleaning and Maintenance:

- After use, clean the handgun according to the manufacturer's instructions.
- Use the cleaning kit provided to maintain the barrel and other components.

Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local laws and regulations.
- When disposing of the handgun, follow local regulations for firearm disposal. Contact local authorities for guidance on safe disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Glock Handgun 44 FS, please consult the manufacturer's website or contact customer support for assistance. It is essential to have access to proper support for safety inquiries and product information.

By adhering to these safety instructions, you contribute to a safer shooting experience for yourself and those around you. Always prioritize safety and responsibility when handling firearms.
