MDT CKYEPOD Gen2 Bipod Safety Instructions

Introduction

Thank you for choosing the MDT CKYEPOD Gen2 Bipod. This product is designed for hunters and match shooters who require stability and versatility in their shooting gear. To ensure safe and effective use of your bipod, please read this safety instruction guide carefully.

General Safety Guidelines

- Always inspect the bipod for any signs of damage or wear before each use.
- Ensure that the bipod is properly attached to your firearm before use.
- Use the bipod only for its intended purpose as specified in this guide.
- Keep the bipod out of reach of children and vulnerable individuals when not in use.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the bipod on stable, level ground to prevent tipping or instability.
- Do not exceed the weight limit specified by the manufacturer.
- Ensure that the locking mechanisms are fully engaged before shooting.
- Adjust the pan and cant settings slowly and carefully to avoid sudden movements.
- Avoid placing your hands or other body parts near moving parts during adjustments.
- Maintain a safe distance from others while using the bipod to prevent accidents.
- Always wear appropriate safety gear, such as eye protection, when shooting.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded before attaching the bipod.
- Locate the RRS ARMS17 interface on your firearm.
- Align the bipod with the interface and firmly attach it according to the manufacturer's instructions.
- Doublecheck that the bipod is securely fastened before proceeding.

2. Adjustments:

- To adjust the height, pull the adjustment levers on each leg of the bipod.
- For pan adjustments, use the lockable pan feature to achieve the desired angle.
- Adjust the cant tension using the adjustment knob for better stability.

3. Usage:

- Position the bipod on stable ground and ensure it is level.
- After adjustments, confirm that all locking mechanisms are secured.
- Take your shooting position and ensure that the bipod supports your firearm effectively.
- When finished, carefully detach the bipod from your firearm, ensuring it is stored safely.

Disposal Instructions

- Dispose of the bipod in accordance with local regulations for electronic and metal waste.
- Do not dispose of the bipod in regular household waste.

- If the product is damaged beyond repair, contact your local waste disposal service for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the MDT CKYEPOD Gen2 Bipod, please refer to the manufacturer's website or customer service resources.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the MDT CKYEPOD Gen2 Bipod!
