

# HYPER BRIGHT FIXED PISTOL SET GLOCK - HYPER BRIGHT FIXED PISTOL FRONT GLOCK 42,43,43X,48 O RING

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# HYPER BRIGHT FIXED PISTOL SET GLOCK Safety Instruction Guide

## Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET GLOCK. This product is designed to provide superior visibility and accuracy in various lighting conditions. To ensure your safety and the optimal performance of your sight, please read this safety instruction guide thoroughly before use.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the sight.
- Use the sight only as intended and in accordance with the manufacturer's instructions.
- Keep the sight and firearm out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear. If damaged, discontinue use immediately.
- Be aware of your surroundings and ensure a safe environment when using your firearm.

## Specific Safety Precautions for Use

- The HYPER BRIGHT FIXED PISTOL SET is designed for use on Glock models 42, 43, 43X, and 48. Ensure compatibility before installation.
- Avoid exposing the sight to harsh chemicals or extreme temperatures that may affect its performance.
- Do not attempt to modify or disassemble the sight, as this may compromise its integrity and safety.
- Always wear appropriate eye protection when using your firearm with the installed sight.
- Be mindful of the sight's bright colors, which may cause distractions in certain environments.

## Instructions for Installation and Usage

### Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing sights from your Glock model using the appropriate tools.
3. Align the HYPER BRIGHT FIXED PISTOL FRONT sight with the mounting slot on the slide.
4. Secure the sight using the provided screws, ensuring it is firmly in place.
5. Repeat the process for the rear sight, ensuring proper alignment and security.

### Usage

- With the sight installed, practice aiming in various lighting conditions to familiarize yourself with its visibility features.
- The selfilluminating tritium technology ensures that the sight is always ready for use, day or night.
- Use the contrasting colors of the front and rear sights to enhance target acquisition and focus.

## Disposal Instructions

- Dispose of the sight in accordance with local regulations for electronic waste.
- Do not dispose of the sight in regular household waste.
- If the sight is damaged, consult local authorities for proper disposal methods to ensure environmental safety.

## Contact Information for Further Support

For any questions or concerns regarding the HYPER BRIGHT FIXED PISTOL SET GLOCK, please refer to the

manufacturer's website or contact their customer service for assistance.

This safety instruction guide is designed to provide you with essential information to ensure safe usage of your HYPER BRIGHT FIXED PISTOL SET GLOCK. Your safety is our priority, and we encourage you to follow these guidelines closely. Thank you for your attention and safe shooting!
