

OBI Clamp Lock - WHT

[Shooting Accessories](#) > [Duty Gear](#)

The Clamp Lock is a robust and versatile mounting solution for securely attaching gear to your backpack or belt strap.

- Rock-Solid Attachment: Bolts directly to the strap, ensuring it stays firmly in place without shifting.
- Wide Compatibility: Designed to work with straps ranging from 1/2 inch to 1.5 inches.
- Flexible Orientation: Can be mounted vertically or horizontally, offering maximum versatility.
- MOLLE Compatible: Easily integrates with MOLLE systems for added functionality.
- Important: To use the Clamp Lock, you will need at least one Clamp Lock OR Slide Lock, as well as an RP M, QD P, or Anywhere Mount.

The Clamp Lock provides a secure, stable, and adaptable solution for attaching round or square posts to your gear – perfect for any adventure.

OBI Clamp Lock Safety Instruction Guide

Introduction

Thank you for choosing the OBI Clamp Lock. This robust and versatile mounting solution is designed for securely attaching gear to your backpack or belt strap. Please read this safety instruction guide carefully to ensure safe and effective use of the OBI Clamp Lock.

General Safety Guidelines

- **Product Safety:** The OBI Clamp Lock is designed to meet safety standards for nonfood products, ensuring safe use for all consumers.
- **Enhanced Recalls:** In the event of a safety issue, recall notices will be provided, and free remedies will be available for any dangerous products.
- **Online Shopping:** Whether purchased online or instore, the OBI Clamp Lock complies with all safety requirements to protect consumers.
- **Special Consumer Focus:** Extra safeguards are in place to ensure the safety of vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Stay informed about any updates on unsafe products through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Age Restriction:** This product is not intended for use by children under the age of 14 without adult supervision.
- **Weight Limit:** Do not exceed the maximum weight limit for the Clamp Lock as specified by the manufacturer to avoid failure.
- **Inspection:** Regularly inspect the Clamp Lock for any signs of wear or damage before each use.
- **Secure Attachment:** Ensure that the Clamp Lock is securely fastened to the strap before attaching any gear.
- **Avoid Overloading:** Do not overload the Clamp Lock as this may lead to detachment and potential injury.

Instructions for Installation and Usage

1. Installation:

- Identify the strap where you wish to mount the Clamp Lock.
- Ensure the strap is clean and free from debris.
- Align the Clamp Lock with the strap, ensuring it is positioned correctly.
- Use the appropriate bolts to secure the Clamp Lock directly to the strap. Ensure that all bolts are tightened adequately.

2. Usage:

- Attach your gear securely to the Clamp Lock.
- Ensure that the gear is balanced and does not exceed the weight limit.
- You may mount the Clamp Lock either vertically or horizontally based on your preference and gear configuration.
- If integrating with MOLLE systems, ensure that the attachment is secure and compatible.

3. Removal:

- To remove the Clamp Lock, carefully unscrew the bolts while ensuring the gear is not attached.
- Store the Clamp Lock in a safe place when not in use.

Disposal Instructions

- Dispose of the OBI Clamp Lock in accordance with local regulations regarding electronic waste and materials.
- Do not dispose of the product in regular household waste. Check for recycling options in your area.

Contact Information for Further Support

For any questions or concerns regarding the OBI Clamp Lock, please refer to the designated EU contact point associated with this product.

By following these safety instructions, you can ensure a safe and enjoyable experience with your OBI Clamp Lock. Thank you for your attention to these important safety guidelines.
